Red Fog Over America William Guy Carr, 1996-01-01 **The Red Fog Over America** William Guy Carr, 1955 **The Red Fog Over America** William Guy Carr, 1962 The Red Fog Lilija Zarina, 2006 As a teenager during World War II author Lilija Lita Zarina's idyllic life of perfumed soaps shelves full of books and carefree parties explodes into irretrievable pieces after a Soviet bomb strikes her family's property in Latvia. The Russian army demands the surrender of passports, radios, and typewriters; destroys books and changes the local language and street signs. Independent thinking is discouraged and success is guaranteed for those who denounce God, family, and country to serve the Communist Party. Separated from her parents, Lita studies medicine at the University of Latvia and dreams of the day she can afford a decent meal. She earns a doctorate of medicine in 1950, but even a doctor's monthly salary is not enough to buy a substandard pair of shoes. Lita's trusting nature leads her into a bad marriage and makes her easy prey for a handsome but highly unscrupulous man. Ultimately, chance meetings, unlikely alliances, and unexpected developments come together to facilitate her escape from the suffocating red fog of communism. A cautionary tale for anyone who cherishes freedom, *The Red Fog* is a memoir of one woman's life behind the Iron Curtain that explores how political oppression dehumanizes people while fear renders them silent and helpless.

Asia First Joyce Mao, 2015-06-09 After Japanese bombs hit Pearl Harbor, the American right stood at a crossroads. Generally isolationist conservatives needed to forge their own foreign policy agenda if they wanted to remain politically viable. When Mao Zedong established the People's Republic of China in 1949, with the Cold War just underway, they had a new object of foreign policy and, as Joyce Mao reveals in this fascinating new look at twentieth-century Pacific affairs, that change would provide vital ingredients for American conservatism as we know it today. Mao explores the deep resonance American conservatives felt with the defeat of Chiang Kai-shek and his exile to Taiwan, which they lamented as the loss of China to communism and the corrosion of traditional values. In response, they fomented aggressive anti-communist positions that urged greater action in the Pacific, a policy known as Asia First. While this policy would do nothing to oust the communists from China, it was powerfully effective at home. Asia First provided American conservatives a set of ideals: American sovereignty, selective military intervention, strident anti-communism, and the promotion of a technological defense state that would bring them into the global era with the positions that are now their hallmark.

Is Alberto for Real? Sidney Hunter, 2011 Genuine or fraud? In 1979, Chick Publications printed the first in a series of highly controversial comics based on the life of ex-Jesuit priest Alberto Rivera. Once converted to Christ, Alberto began exposing the Vatican's most closely guarded secrets. His information shocked the world. Responding to his startling statements, Rome and many so-called Christians cried, "Alberto is a fraud." For many years, the battle has raged. Millions have asked, "Is Alberto For Real?" Here is the answer: 96 pages packed with rock-solid evidence proving Alberto Rivera is for real. History proves he's real. Many other writers prove he's real. If you've ever wondered about the veracity of Alberto's alarming allegations about the Roman Catholic
