

READING VERGIL'S *Aeneid*  
An Interpretive Guide

Edited by Christine Perkell

# Reading Vergils Aeneid An Interpretive Guide

**Emilie Sanchez**

## **Reading Vergil's Aeneid An Interpretive Guide:**

**Reading Vergil's Aeneid** Christine G. Perkell, 1999 Vergil's Aeneid has been considered a classic if not the classic of Western literature for two thousand years In recent decades this famous poem has become the subject of fresh and searching controversy What is the poem's fundamental meaning Does it endorse or undermine values of empire and patriarchy Is its world view comic or tragic Many studies of the poem have focused primarily on selected books The approach here is comprehensive An introduction by editor Christine Perkell discusses the poem's historical background its reception from antiquity to the present and its most important themes The book by book readings that follow both explicate the text and offer a variety of interpretations Concluding topic chapters focus on the Aeneid as foundation story the influence of Apollonius Argonautica the poem's female figures and English translations of the Aeneid Written in an accessible style and providing translations of all Latin passages this volume will be of particular value to teachers and students of humanities courses as well as to specialists

**The Reception of the Homeric Hymns** Andrew Faulkner, Athanassios Vergados, Andreas Schwab, 2016-11-17 The Reception of the Homeric Hymns is a collection of original essays exploring the reception of the Homeric Hymns and other early hexameter poems in the literature and scholarship of the first century BC and beyond Although much work has been done on the Hymns over the past few decades and despite their importance within the Western literary tradition their influence on authors after the fourth century BC has so far received relatively little attention and there remains much to explore particularly in the area of their reception in later Greco Roman literature and art This volume aims to address this gap in scholarship by discussing a variety of Latin and Greek texts and authors across the late Hellenistic Imperial and Late Antique periods including studies of major Latin authors such as Virgil Horace and Ovid and Byzantine authors writing in classicizing verse While much of the book deals with classical reception of the Hymns including looking beyond the textual realm to their influence on art the editors and contributors have extended its scope to include discussion of Italian literature of the fifteenth century German scholarship of the nineteenth century and the English Romantic poets demonstrating the enduring legacy of the Homeric Hymns in the literary world

**Explorations in Latin Literature: Volume 1, Epic, Historiography, Religion** Denis Feeney, 2021-08-19 Denis Feeney is one of the most distinguished scholars of Latin literature and Roman culture in the world of the last half century These two volumes conveniently collect and present afresh all his major papers covering a wide range of topics and interests Ancient epic is a major focus followed by Latin lyric historiography and elegy Ancient literary criticism and the technology of the book are recurrent themes Many papers address the problems of literary responses to religion and ritual with an interdisciplinary methodology drawing on comparative anthropology and religion The transition from Republic to Empire and the emergence of the Augustan principate form the background to the majority of the papers and the question of how literary texts are to be read in historical context is addressed throughout All quotations from ancient and modern languages have now been

translated and Stephen Hinds has contributed a foreword **Sexuality in Greek and Roman Culture** Marilyn B. Skinner, 2013-07-23 This agenda setting text has been fully revised in its second edition with coverage extended into the Christian era It remains the most comprehensive and engaging introduction to the sexual cultures of ancient Greece and Rome Covers a wide range of subjects including Greek pederasty and the symposium ancient prostitution representations of women in Greece and Rome and the public regulation of sexual behavior Expanded coverage extends to the advent of Christianity includes added illustrations and offers student friendly pedagogical features Text boxes supply intriguing information about tangential topics Gives a thorough overview of current literature while encouraging further reading and discussion Conveys the complexity of ancient attitudes towards sexuality and gender and the modern debates they have engendered **Intratextuality and Latin Literature** Stephen J. Harrison, Stavros Frangoulidis, Theodore D. Papanghelis, 2018-10-08 Recent years have witnessed an increased interest in classical studies in the ways meaning is generated through the medium of intertextuality namely how different texts of the same or different authors communicate and interact with each other Attention although on a lesser scale has also been paid to the manner in which meaning is produced through interaction between various parts of the same text or body of texts within the overall production of a single author namely intratextuality Taking off from the seminal volume on Intratextuality Greek and Roman Textual Relations edited by A Sharrock H Morales Oxford 2000 which largely sets the theoretical framework for such internal associations within classical texts this collective volume brings together twenty seven contributions written by an international team of experts exploring the evolution of intratextuality from Late Republic to Late Antiquity across a wide range of authors genres and historical periods Of particular interest are also the combined instances of intra and intertextual poetics as well as the way in which intratextuality in Latin literature draws on reading practices and critical methods already theorized and operative in Greek antiquity Classical Antiquity in Heavy Metal Music K. F. B. Fletcher, Osman Umurhan, 2019-10-03 This book demonstrates the rich and varied ways in which heavy metal music draws on the ancient Greek and Roman world Contributors examine bands from across the globe including Blind Guardian Germany Therion Sweden Celtic Frost Eluveitie Switzerland Ex Deo Canada Italy Heimdall Stormlord Ade Italy Kawir Greece Theatre of Tragedy Norway Iron Maiden Bal Sagoth UK and Nile US These and other bands are shown to draw inspiration from Classical literature and mythology such as the Homeric Hymns Vergil's Aeneid and Caesar's Gallic Wars historical figures from Rome and ancient Egypt and even pagan and occult aspects of antiquity These bands' engagements with Classical antiquity also speak to contemporary issues of nationalism identity sexuality gender and globalization The contributors show how the genre of heavy metal brings its own perspectives to Classical reception and demonstrate that this music often dismissed as lowbrow engages in sophisticated dialogue with ancient texts myths and historical figures The authors reveal aspects of Classics' continued appeal while also arguing that the engagement with myth and history is a defining characteristic of heavy metal music especially in countries

that were once part of the Roman Empire      **Uncovering Anna Perenna** Gwyneth McIntyre, Sarah McCallum, 2019-01-24 The figure of Anna Perenna embodies the complexity and richness of the Roman mythological tradition In exploring Anna Perenna the contributors apply different perspectives and critical methods to an array of compelling evidence drawn from central texts monuments coins and inscriptions that encapsulate Rome's shifting artistic and political landscape As a collection *Uncovering Anna Perenna* provides a unique examination that represents the interdisciplinary intersection between Roman literature history and culture The assembled chapters offer thought provoking and insightful discussions written by specialists in Roman myth and religion literary studies and ancient history A convergence of different perspectives within the collection including comparative literature gender and sexuality literary criticism and reception results in a rich and varied investigation Organized into four parts the volume explores Anna along four conceptual lines her liminal nature as a Carthaginian figure coopted into Rome's literary mythological and artistic heritage her capacity as a Roman goddess and nymph her political and cultural associations with plebeian and populist ideology and her intriguing influence on James Joyce's *Finnegans Wake*      *Urban Dreams and Realities in Antiquity*, 2014-11-20 A unique variety of approaches to all aspects of urban culture in the ancient world can be found in *Urban Dreams and Realities in Antiquity* a collection of 19 essays addressing ancient cities from an interdisciplinary perspective As the title indicates the volume considers both how ancient people lived in their cities as physical structures and how they thought with them as ideas and symbols Essays in this volume deal with texts and sites from Spain to South India but there is a particular focus on the archaeology and epigraphy of Roman era Italy civic identity in the Roman provinces the Hebrew Bible and Early Christian literature Vergil and other imperial Latin authors      *The Cambridge Companion to Virgil* Fiachra Mac Góráin, Charles Martindale, 2019-04-18 Presents stimulating chapters on Virgil and his reception offering an authoritative overview of the current state of Virgilian studies      **The Epic Journey in Greek and Roman Literature** Thomas Biggs, Jessica Blum, 2019-05-23 From Homer to the moon this volume explores the epic journey across space and time in the ancient world      *Explorations in Latin Literature: Volume 2, Elegy, Lyric and Other Topics* Denis Feeney, 2021-08-19 Denis Feeney is one of the most distinguished scholars of Latin literature and Roman culture in the world of the last half century These two volumes conveniently collect and present afresh all his major papers covering a wide range of topics and interests Ancient epic is a major focus followed by Latin lyric historiography and elegy Ancient literary criticism and the technology of the book are recurrent themes Many papers address the problems of literary responses to religion and ritual with an interdisciplinary methodology drawing on comparative anthropology and religion The transition from Republic to Empire and the emergence of the Augustan principate form the background to the majority of the papers and the question of how literary texts are to be read in historical context is addressed throughout All quotations from ancient and modern languages have now been translated and Stephen Hinds has contributed a foreword      **Achilles in Love** Marco Fantuzzi, 2012-12-20 Tracing the escapades of Achilles erotic history

whether in same sex or opposite sex relationships this book explains how these relationships were developed and revealed or elided and concealed in the writing and visual arts following Homer

### **Women and War in Roman Epic** Elina

Pyy,2020-11-04 In *Women and War in Roman Epic* Elina Pyy discusses the narrative and ideological functions of gender in the works of Virgil Lucan Statius Silius Italicus and Valerius Flaccus By examining the themes of violence death guilt grief and anger in their epics she offers an account of the intertextual tradition of the genre and its socio political background

Through a combination of classical narratology and Julia Kristeva's subjectivity theory Pyy scrutinises how gendered marginality is constructed in the genre and how it contributes to the fashioning of Roman imperial identity Focusing on the ambiguous elements of epic the study looks beyond the binary oppositions between the Self and the Other male and female and Roman and barbarian

*Virgil* R. Alden Smith,2011-06-24

*VIRGIL* A truly useful introduction to Vergil and his poetry Smith combines up to date information on the issues with an intelligent and well written assessment Highly recommended Karl Galinsky University of Texas at Austin For the newcomer to Vergil this book will be a welcome introduction to the poet's works and their reception by critics artists and scholars through the centuries Peter E Knox University of Colorado Boulder

Incorporating the most up to date classical scholarship Virgilian scholar R Alden Smith presents a comprehensive introduction to Virgil's literary works and narrative technique In addition to exploring the historical milieu this book considers the reception of Virgil's works citing examples from painting sculpture and drama After analyzing Virgil's three major works the *Eclogues* *Georgics* and the great national epic of Rome the *Aeneid* Smith addresses other key topics including the manuscript tradition and various problems associated with establishment of the text Virgil's legacy including his influence on subsequent Latin poetry and later literary figures e.g. Dante Cam'es Milton is also a feature of this study

Combining scholarly rigor and an accessible writing style Smith offers an insightful introduction to Virgil and the world in which he lived

### **Vergil: A LEGAMUS Transitional Reader** Thomas J. Sienkewicz,LeaAnn A. Osburn,2004-01-01

This reader contains 11 selections about 200 lines from Vergil's *Aeneid* Books I II and IV designed for students moving from elementary or intermediate Latin into reading authentic Vergilian Latin Many reading aids listed below are contained in this volume along with introductory materials illustrations and a grammatical appendix Features Pre reading and post materials for each passage of Latin designed to help the student understand the underlying cultural and literary concepts in the Latin passage and Vergil's style of writing Short explanations of grammatical and syntactical usages with exercises 1st version of the Latin text has gapped words in parentheses difficult noun adjective pairings highlighted complete vocabulary and grammatical notes on the facing page 2nd version of the Latin text in its unchanged form has literary notes on the facing page 3 concluding Latin passages with facing page notes on grammar vocabulary and literary analysis but without

transitional aids Pull out vocabulary for unglossed items at the back of the book

### **Vergil in Russia** Zara Martirosova

Torlone,2014-11-27 The Russian reception of the greatest Roman poet Vergil provided Russian thinkers with a way in which

to define Russian European features This volume looks to uncover the nature of Russian reception of Vergil and argues that the best way to analyse his presence in Russian letters is to view it in the context of the formation and development of Russian national and literary identity Russian reception of Vergil began to play an integral role in the eighteenth century starting with the reforms of Peter the Great and continued to be an important point of reference for Russian writers well into the last part of the twentieth century At the beginning of the twentieth century it took on a spiritual almost messianic mission while towards the end of the millennium the post modernist Vergil of Joseph Brodsky contemplated the fate of a poet in the world However Russian reception of Vergil offers significantly more than mere foreign importation or imitation of the beliefs and attitudes towards Vergil developed in Europe It provides a gateway to understanding Russian eighteenth and nineteenth century thought about national identity and values and uncovers important sources of later thinking about the character and destiny of Russia Vergil in Russia reveals that at the centre of Russian reception of Vergil is Russia's challenge to define the character and validity of their own civilization Vergil's poems especially the Aeneid gave Russian men of letters an opportunity to think about and act upon national self determination in both political and cultural terms

Geography, Topography, Landscape Marios Skempis, Ioannis Ziogas, 2013-12-12 By introducing a multifaceted approach to epic geography the editors of the volume wish to provide a critical assessment of spatial perception of its repercussions on shaping narrative as well as of its discursive traits and cultural contexts Taking the genre specific boundaries of Greco Roman epic poetry as a case in point a team of international scholars examines issues that lie at the heart of modern criticism on human geography Modern and ancient discourse on space representations revolves around the nation shaping force of geography the gendered dynamics of landscapes the topography of isolation and integration the politics of imperialism globalization environmentalism as well as the power of language and narrative to turn space into place One of the major aims of the volume is to show that the world of the Classics is not just the origin but the essence of current debates on spatial constructions and reconstructions

**The Return of Proserpina** Sarah Spence, 2023-01-03 Sicily and the strategies of empire in the poetic imagination of classical and medieval Europe In the first century BC Cicero praised Sicily as Rome's first overseas province and confirmed it as the mythic location for the abduction of Proserpina known to the Greeks as Persephone by the god of the underworld The Return of Proserpina takes readers from Roman antiquity to the late Middle Ages to explore how the Mediterranean island offered authors a setting for forces resistant to empire and a location for displaying and reclaiming what has been destroyed Using the myth of Proserpina as a through line Sarah Spence charts the relationship Western empire held with its myths and its own past She takes an in depth panoramic look at a diverse range of texts set on Sicily demonstrating how the myth of Proserpina enables a discussion of empire in terms of balance loss and negotiation Providing new readings of authors as separated in time and culture as Vergil Claudian and Dante Spence shows how the shape of Proserpina's tale and perceptions of the island change from a myth of loss to one of redemption with the

volcanic Mt Etna playing an increasingly central role Delving into the ways that myth and geography affect politics and poetics The Return of Proserpina explores the power of language and the written word during a period of tremendous cultural turbulence     Thunder and Lament Timothy A. Joseph, 2022 Thunder and Lament is the first book length study of Lucan's engagement with the Homeric poems and the works of early Latin epic     **Theological Anthropology and the Great Literary Genres** Michael P. Jensen, 2019-08-23 The storytelling impulse lies very deep within human cultures indeed it is fundamental to the very concept of human culture itself What then is humankind according to the great story types of tragedy epic and comedy What do each of these genres say about us and what transcends us Building on critical discussions of the great genres of the Western literary tradition Michael P Jensen argues that each of these genres contains a theological anthropology a theological understanding of the human creature He then shows how questions of identity purpose and destiny are addressed within each genre concluding that human existence is a storied nature shaped by the various literary forms that have fostered human cultural imagination These genres provide crucial keys to vital anthropological and theological questions when put in conversation with Christian theology as Jensen shows the Christian story the gospel shares many observations about the human condition with the great genres but offers a different sense of ending
