envision my daily life as a cadet a bed made taut as a trampoline spit shined shoes and a sworn oath to absolute honesty No lying no cheating no stealing no locks no keys We woke in the early morning to bugles and drums Another day in which to excel Heavy academics and tough physical training ensued We might be ordered to climb a flimsy ladder to the gymnasium rafters We would leap into the swimming pool all part of the survival swimming class Academic classes physical training year round competitive sports sometimes an afternoon parade Evenings we study But West Point is more than this One day in June President Eisenhower visited the barracks I on duty greeted him and improbably we shared a joke together Wintertime at West Point is dubbed Gloom Period So the marching band played pop tunes and jazz in the mess hall to cheer us Cadets also marked the world outside West Point We traveled to an army base in Alabama Our one Black classmate in the total class of six hundred met the real world shock of Jim Crow racism When we paraded down Fifth Avenue in New York City for the last time we couldn't know that ninety cadets marching would die in Vietnam What Abides is about a brotherhood forged in rigorous training devoted to living honorable lives Our parade in New York brought memories of applauding crowds the grand backdrops of Central Park and Fifth Avenue My looking out over New York harbor brought thoughts of why and how I attended West Point Born during World War II the triumphant victory subsumed the nation during my youth The entry process was intensely competitive The official catalogue warned that admission requirements were somewhat different from other colleges Indeed they were Oh that first day at West Point With shocking suddenness military discipline was imposed by upperclassmen We left our homes as our parents children By late afternoon shorn of hair we were marching in cadence and had sworn an oath of cadetship In name West Point cadets there remained much to learn We were taught to make our beds shine our shoes and march all the West Point way We ate sitting at attention We memorized vast quantities of material from the obtuse definition of the word discipline to the mess hall's daily meal menu Indeed it was all somewhat different What Abides unearths other aspects of West Point Why the ignoring of Baron von Steuben in the founding of the real Colonial Army and military academies The very model of a soldier adviser he seems curiously marginalized at West Point Then there is Robert Strange McNamara Not a West Point graduate but actually its nemesis He considered his mentor Curtis Bombs Away LeMay as one of the best military commanders Together following orders this disastrous duo had set ablaze the primarily wooden cities of Japan A warm up to the coming tragedies of Hiroshima and Nagasaki For West Pointers where is the honor in civilian slaughter McNamara pulled out all his bombing stops in Vietnam He said there were no experts available to guide him and that Vietnam was terra incognita This was the great lie that helped kill hundreds of thousands of Vietnamese Did anyone West Point graduate or not think about the war crimes of bombing civilians It prevails today Also consider West Point throughout its history Dubbed The Long Gray Line one family can span a century of graduates What Abides explains such a family It also shows an example of West Point in the classroom as it analyzes leadership in times of war peace and cold war All this and much more is what abides for me
