Comblin,2009-07-01 In this frank and honest work one of the pioneers of liberation theology in Latin America reassesses the movement in light of post Cold War realities Comblin outlines a liberative theological pastoral agenda for now and the decades to come in the face of massive urbanization and the apparent triumph of the global marketplace With the increasing apartheid of rich and poor the cause of liberation remains as urgent as ever perhaps more so Jose Comblin already established as a premier contributor to liberation theology has now provided a work of major new importance Significant changes have occurred since the inception of liberation theology thirty years ago and Comblin provides a remarkably comprehensive critical and insightful study of economic political cultural and religious developments that liberation theology must address He offers as well a challenging new theological emphasis on freedom Arthur F McGovern SJ University of Detroit A must read for all interested in current debates among Latin American liberation theologians and more broadly on the eve of the third millennium for all wondering about the meaning of the good news of the coming of God s reign in history Lee Cormie St Michael s College and the Toronto School of Theology He dispels the rumor that liberation theology is

disappearing or dead This book is about the future of liberation theology and if Jose Comblin is right it will play a vital role in the coming century Curt Cadorette University of Rochester
