After ten years of coexisting in the mountains with the local vampire, relations between the brothers and the bloodsucker begin to go south. The vampire wants the shifters off his mountain and he will stop at nothing to convince them to leave. As the three brothers meet their mates, fear for their safety increases. Each book in the series follows one brother's mating and subsequent encounters with the increasingly powerful vampire.

**Caleb's Mate** Becca Jameson, The small town of Canyon Springs, Colorado, is filled with warm, welcoming people and breathtaking views. Is that why visitors often decide to stay for the rest of their lives? Or is it something else? Elena isn't worried about spending a week in Canyon Springs settling her aunt's estate. She's never bought into the notion that shifters can somehow lure people into their dens and brainwash them into staying in town. That has to be a myth. She and her twin sister have never met this estranged aunt, so they aren't exactly in mourning. Elena intends to spend the week reconnecting with her sister. Hopefully, she'll find the spine to tell her sister what a failure her career has been. But what if the lore is true? In an unexpected twist, Elena finds herself instantly falling for Caleb, the sexy wolf shifter who approaches her on her first night in town. She can fight the pull. She can deny the illogical facts. But in the end, does it really matter why the heart chooses who to love?

**Arcadian Bears Box Set, Volume One** Becca Jameson, 2020-07-28 The Arcadian Bears series is a spin-off from Becca Jameson's best-selling Wolf Masters series. The series takes place in the Banff National Park in Alberta, Canada. Rival families who own and operate microbreweries find themselves facing the imminent threat of drought as the Athabasca Glacier slowly disappears. Meet these sexy bear shifters as they find love in the gorgeous mountains where snow falls most of the year and snuggling up inside a mountain cabin is the most appealing pastime. This book is a re-release of a previously published book. No additions or changes have been made to the story.

**Shadow in the Darkness (Shadow SEALs)** Becca Jameson, 2022-09-13 It was supposed to be a vacation, not a mission. When Grant takes off on a cruise through the Panama Canal with several of his SEAL buddies, the last thing he expects is drama. And he certainly isn't prepared to find himself in a warzone. Callie is on a much-needed vacation with her girlfriends. Laughter, partying, drinking, maybe a bit too much drinking that first night. The sexy man who helps her back to her room might be a fun cruise hookup. When all hell breaks loose, the fun times come to a screeching halt. Apparently, the relaxed, easy-going man she's been flirting with isn't quite as average as she believed. But then again, neither is she.
