**Outside Looking in** Pete Mitchell,2006-03 The autobiography of a struggling musician working over 30 years gigging on the road Life has its price and one way or another we will all have to pay for it On invitation I went to see a famous clairvoyant called Madame Faye Her prediction of the assassination of president J F Kennedy brought her worldwide recognition I was a total sceptic and we had never met before In retrospect everything she told me about my past was true and what is stunning beyond belief is the fact that all the major events in this book were predicted in detail by Madame Faye to me at her house in the summer of 1966 The last thing she said to me was you will be successful with your music but only after a long hazardous journey and you ll have to sacrifice everything for it For most musicians it s usually a case of playing for fun Some play professionally and others make the Big time I take the view that a real musician is rarer still He doesn t play to survive HE SURVIVES TO PLAY My only credentials for having this point of view are some thirty years playing on the pub and club scene and still gigging strong *The boys of 61* Charles Carleton Coffin,2018-09-20 Reproduction of the original The boys of 61 by Charles Carleton Coffin
