America's Top Roller Coasters and Amusement Parks Pete Trabucco, 2009 Offers a brief history of the roller coaster and describes rollercoaster rides found at amusement parks across America **The Roller Coaster Lover's Companion** Steven J. Urbanowicz, 2002 Profusely illustrated and engagingly written this book tells the whole exciting story of the history and development of roller coasters from the first 15 foot high four mile per hour Switchback Railway in Coney Island s 1884 amusement park to today s wild mega monsters Photos throughout **Coasters 101** Nick Weisenberger, 2015 *Roller Coasters* Robert Coker, 2002 Recounts the history of roller coasters and describes classic examples from wooden rides to steel devices to enormous machines with drops of more than two or three hundred feet and speculates about future developments **HowExpert Guide to Amusement Parks and Roller Coasters** HowExpert, Noah Granger, 2022-07-29 If you want to learn about the best amusement parks roller coasters and theme parks around the world then check out HowExpert Guide to Amusement Parks and Roller Coasters From the classic wooden roller coaster at your local pier to the highly technical and intricate new ride that Disney is set to open this next year to the high speed steel beast of a monster that sits a few hours away at the closest Six Flags there is a multitude of attractions out there Unfortunately all that stands between you and said attraction is a two hour long car trip followed by a 25 parking fee and then a three hour line Okay so maybe that doesn't sound desirable But what does sound desirable is the opportunity to experience a world class thrill ride that you can brag to your friends in class or perhaps being immersed in a land that is themed to your favorite movie in which you forget you're still in the same world as before Theme parks and amusement parks alike offer something unlike anything else and each park offers something different and unique from the others Here in this book you'll learn all there is to know about both theme and amusement parks the different types of rides roller coasters and much more We'll also rank the best 101 amusement parks some of which may only be a short trip away from you The best part about this is not only will you be able to pull this guide up whenever you need it and be able to impress the coaster enthusiasts with your knowledge and understanding of the lingo but you also won't have to wait in a three hour line to crack this thing open Here is your fast pass to all the park industry related knowledge you couldn't possibly imagine having before Check out HowExpert Guide to Amusement Parks and Roller Coasters to learn about the best amusement parks roller coasters and theme parks around the world About the Author Noah Granger born and raised in Los Angeles California grew up surrounded by a plethora of amusement parks From going to Disneyland on a weekly basis to conquering all the intimidating roller coasters of Six Flags Magic Mountain by the time he was a teenager Noah developed a passion for this niche topic and an addiction to the adrenaline that he often got while riding Xcelerator at Knott's Berry Farm Currently a student at California State University Fullerton Noah is continuously keeping up to date with all there is going on in the amusement and theme park industry Over the years of learning more about this hobby he has accumulated years and years worth of knowledge surrounding all the
