## **2.2 Philosophical & Sociological Perspectives of**

**Education - I (ITEP)** KHRITISH SWARGIARY,2025-07-01 As the author of Philosophical Sociological Perspectives of Education I I am delighted to present this work to student teachers educators and all those passionate about understanding the profound interplay between philosophy sociology and education This book is crafted with the intent to serve as a comprehensive guide for exploring the foundational principles that shape educational thought and practice It is designed to provoke reflection inspire dialogue and foster a deeper appreciation of the philosophical and sociological dimensions that inform the educational process The journey of writing this book stems from a recognition of the critical need to bridge ancient wisdom with contemporary educational practices By delving into Indian and Western philosophical traditions alongside the visionary contributions of great educational thinkers this work aims to equip prospective teachers with the intellectual tools to navigate the complexities of modern education The inclusion of sociological perspectives further enriches this exploration emphasizing the role of values culture and society in shaping educational aims and practices This book is not merely an academic exercise but an invitation to engage with timeless questions about the nature of knowledge human existence and societal aspirations It is my hope that readers will find in these pages both inspiration and practical insights to enrich their educational practice and contribute meaningfully to the evolution of education in the 21st century **On**

**Indian Ground** John W. Tippeconnic, Mary Jo Tippeconnic Fox, 2021-05-01 On Indian Ground The Southwest is one of ten regionally focused texts that explores American Indian Alaska Native Native Hawaiian education in depth The text is designed to be used by educators of native youth and emphasizes best practices found throughout the state Previous texts on American Indian education make wide ranging general assumptions that all American Indians are alike This series promotes specific interventions and relies on native ways of knowing to highlight place based educational practices On Indian Ground The Southwest looks at the history of Indian education within the southwestern states The authors also analyze education policy and tribal education departments to highlight early childhood education gifted and talented educational practice parental involvement language revitalization counseling and research These chapters expose cross cutting themes of sustainability historical bias economic development health and wellness and cultural competence The intended audience for this publication is primarily those educators who have American Indian Alaska Native Native Hawaiian students in their educational institutions The articles range from early childhood and head start practices to higher education including urban rural and reservation schooling practices A secondary audience American Indian education researcher **Handbook for**
