Perspectives On Hebrew Scriptures II:

Perspectives on Hebrew Scriptures II Ehud Ben Zvi, 2007 This volume incorporates all the articles and reviews published from 2004 to 2005 in the Journal of Hebrew Scriptures **Perspectives on Hebrew Scriptures II** Ehud Ben Zvi, 2007 *George W.E. Nickelsburg in Perspective, vol. 2* Jacob Neusner, Alan Avery-Peck, 2022-11-07 Here we reread George W E Nickelsburg's more important articles and encounter afresh some of his books to criticize them and to attend to his response to the criticism This set of Auseinandersetzungen thus carries forward the life of learning and debate that yields a rich harvest of scholarship It pays tribute to a scholar through acts of engaged critical scholarship in which specialists reread articles reproduced in these pages and respond to them with Nickelsburg then joining issue a protracted engagement spanning an entire intellectual career and many of its more important moments Nickelsburg's work not only deserves such rigorous analysis it also sustains it On any list of scholars who over the past forty years have defined and cultivated the field of Second Temple Judaism and early Christianity George Nickelsburg is included at or near the top Here we present the natural outcome of such a life in the academy scholars in contention over truth The print edition is available as a set of two volumes 9789004129870 **Interpreter: A Journal of Mormon Scripture, Volume 9 (2014)** The Interpreter Foundation, 2014-05-19 This is volume 9 2014 of Interpreter A Journal of Mormon Scripture published by The Interpreter Foundation It contains articles on a variety of topics including reflections on the mission of The Interpreter Foundation the doctrinal and temple implications of Peter's surnaming literacy and orality in the Book of Mormon the temporality of sin an analysis of epistemology in historiography and two book reviews of David Bokovoy's *Authoring the Old Testament* Genesis Deuteronomy Emerging Scriptures: Torah, Gospel and Qur'an in Christian perspective Schofield, Rodney, 2014-08-22 Rodney Schofield traces the beginnings of Biblical and Qur'anic literature and attempts a reconstruction of their original settings He reassesses some of the classical theories and shows that the scriptures of the Abrahamic faiths Torah Gospel and Qur'an possess many shared perspectives reflecting their common heritage A better appreciation of this shared legacy he contends could promote greater mutual understanding and foster respectful co-existence among believers **The Bible as Revelatory Word** Robert Ignatius Letellier, 2016-08-17 Whether one approaches the Bible from a perspective of faith culture or literature the power of the writing the human situations language and genres that make up the Scriptures speak potently across the ages From whatever angle the texts have a revelatory power that shines a light on the human condition our sense of purpose place in the world and even our destiny Born out of the common reflection on the history of single nation with a sense of divine election the Bible has spoken and continues to speak to all people in various circumstances in words of such power that seem divinely inspired This volume provides an opportunity for studying those special areas of Scripture known as the Prophets and the Wisdom Books Isaiah Jeremiah Ezekiel and Daniel spoke to Ancient Israel from the situation of their national story shaped by the Covenant with God especially before during and after the sorrow of their Exile in Babylon 587

38 BC The Wisdom Books of the Bible reflect on the ontology of the human condition under any circumstance how to live wisely and sensibly by looking at the world of nature and the human heart to discern the purpose of life The approach adopted here building on a fundamental understanding of the Old Testament searches for deeper understanding of both approaches and genres This study enables a thematic overview of the subject a way into some of the critical issues endemic to grasping both traditions and by implication some of the fundamental approaches used in biblical scholarship This study encourages reading the texts themselves developing a sharper perception of language imagery genre and style The book thus provides an overall picture of the literary types employed locates the sacred books in a chronological and thematic context exploring the texts through the specific passages provided always looking to find the theological keys critical to understanding these particular books and their enduring message across the ages A particularly interesting aspect of this study is its collection of iconography offering a cross section of artistic responses to the power of the biblical discourse through the centuries While Gustave Doré's famous etchings form the axis of the centre folds many other painters are included from different periods

Christian Perspectives on Transforming Interreligious Encounter Peter C. Phan, Anh Q. Tran, 2024-05-15 Christian Perspectives on Transforming Interreligious Encounter underscores the urgency of interreligious dialogue for contemporary society aiming to foster interfaith understanding justice and peace The initial section focuses on novel approaches to engaging with the religious Other through non Christian sacred texts Contributors explore the Jewish Christian relationship offer Christian interpretations of Hindu Buddhist and Confucian scriptures and discuss the Qur'an's potential to refine Christian theology The dangers of comparative theology are warned against and alternative perspectives such as Asian liberation theology are proposed for situating religion critically as well as share the insights on Christian engagement with Zen practice The second part explores the transformation of key Christian doctrines through interreligious encounters Contributors delve into topics such as the conditions for faith and divine revelation formulating a Christology in dialogue with Asian traditions and understanding the Spirit as a source of questioning They investigate the communitarian dimension of religious faith discuss the Catholic Church's stance on interreligious dialogue examine the role of biblical hermeneutics in decolonizing theology and reflect on the existential threat of ecological destruction The third part pays tribute to Leo Lefebure emphasizing his impact on Catholic theology and comparative theology and concludes with Lefebure's epilogue providing him with the last word

Linguistic and Philological Studies of the Hebrew Bible and its Manuscripts, 2023-07-10 This volume honors the extraordinary scholarship of Prof Gary A Rendsburg whose work and friendship have influenced so many in the last five decades Twenty five prominent scholars from the US Europe Israel and Australia have contributed significant original studies in three of Rendsburg's areas of interest and expertise Hebrew language Hebrew Bible and Hebrew manuscripts These linguistic philological literary epigraphic and historical approaches to the study of Hebrew and its textual traditions serve as a worthy tribute to such an accomplished scholar and also as an illustration how all

of these approaches can complement one another in the fields of Hebrew and Biblical Studies **Illuminating Scripture:**

Perspectives on the Formation of the Book of the Twelve Rainer Albertz, James D. Nogalski, Jakob Wöhrle, 2012-07-04 The formation of the Book of the Twelve is one of the most vigorously debated subjects in Old Testament studies today This volume assembles twenty four essays by the world's leading experts providing an overview of the present state of scholarship in the field The book's contributors focus on questions of method history as well as redactional and textual history George W.E. Nickelsburg in Perspective, vol. 1 Jacob Neusner, Alan Avery-Peck, 2022-11-07 Here we reread George W E Nickelsburg's more important articles and encounter afresh some of his books to criticize them and to attend to his response to the criticism This set of Auseinandersetzungen thus carries forward the life of learning and debate that yields a rich harvest of scholarship It pays tribute to a scholar through acts of engaged critical scholarship in which specialists reread articles reproduced in these pages and respond to them with Nickelsburg then joining issue a protracted engagement spanning an entire intellectual career and many of its more important moments Nickelsburg's work not only deserves such rigorous analysis it also sustains it On any list of scholars who over the past forty years have defined and cultivated the field of Second Temple Judaism and early Christianity George Nickelsburg is included at or near the top Here we present the natural outcome of such a life in the academy scholars in contention over truth The print edition is available as a set of two volumes 9789004129870 Perspectives on Hebrew Scriptures Ehud Ben Zvi, 2008

In Defense of the New Perspective on Paul Don Garlington, 2005-01-25 The following book is comprised of a series of essays and reviews that have been produced over the past several years all related in one way or the other to the New Perspective on Paul NPP This defense of the NPP takes the form of a combination of exegesis and extended book reviews In endeavoring to defend the NPP the eight chapters of this book contain a common thread namely that the movement

generically bearing this moniker is not inimical to most historical traditional systems of soteriology Yet because of the rather volatile reaction of many the volume seeks to redress the balance in favor of a more tempered approach to a highly controversial topic

Religious Perspectives on Bioethics and Human Rights Joseph Tham, Kai Man Kwan, Alberto Garcia, 2017-09-06 This book deals with the thorny issue of human rights in different cultures and religions especially in the light of bioethical issues In this book experts from Christianity Judaism Islam Buddhism Daoism Hinduism and Confucianism discuss the tension between their religious traditions and the claim of universality of human rights The East West contrast is particularly evident with regards to human rights Some writers find the human rights language too individualistic and it is foreign to major religions where the self does not exist in isolation but is normally immersed in a web of relations and duties towards family friends religion community and society Is the human rights discourse a predominantly Western liberal ideal which in bioethics is translated to mean autonomy and free choice In today's democratic societies laws have been drafted to protect individuals and communities against slavery discrimination torture or genocide Yet it appears unclear at what moment universal rights supersede respect for cultural diversity and pluralism This collection of articles demonstrates a rich spectrum of positions among different religions as they confront the ever more pressing issues of bioethics and human rights in the modern world This book is intended for those interested in the contemporary debates on religious ethics human rights bioethics cultural diversity and multiculturalism

Atonement and the New Perspective Stephen Burnhope, 2018-08-10 Atonement has been described as the central doctrine of Christianity and yet surprisingly the church has never insisted on a particular understanding of how redemption in Christ was achieved Instead a miscellany of metaphors has been employed each picturing something of Christ's work Recent debate within Reformed Evangelicalism has been characterized by claims for hegemony to be granted to penal substitution versus counter arguments for a kaleidoscopic multi model understanding Notably absent in these discussions however are two considerations One is any common nexus to draw atonement thought together The other is any positive theological contribution deriving from God's preexisting relationship with Israel the presumed role of which has rather been to provide a negative contrast of law versus grace and works versus faith as the dark background against which the light of Christ may shine more brightly Recent scholarship however particularly the new perspective on Paul has comprehensively dismantled the old stereotypes concerning first century Judaism This book asks how differently we might think about the atonement once it is brought into conversation with the new scholarship It concludes by proposing a new perspective on atonement in which Christ is central Israel and Torah are affirmed and the traditional metaphors continue to find their place

Studies in the New Perspective on Paul Don Garlington, 2008-06-15 This collection of essays follows upon its predecessor originally entitled *In Defense of the New Perspective on Paul* Essays and Reviews Wipf and Stock 2005 This second edition differs from the first in that five new chapters have been added and one review article has been deleted The change of the main title to *Studies in the New Perspective on Paul* is due to the conviction that the New

Perspective on Paul actually represents a return to the original context in which Paul proclaimed the gospel of Christ Therefore it is not something to be defended but propounded in the most positive terms possible *Prophecy Unfulfilled* Wayne Talbot, *Prophecy Unfulfilled* represents a continuation of the author's quest for the truth of God by firstly uncovering the untruths that he had been taught during his formative years as a Catholic Earlier works focused on the claimed new replacement covenant the rejection of the Sabbath and the rejection of Torah Using the rules of evidence as in a court of law this study seeks to evaluate the claimed messianic prophecy fulfillment by Jesus some two thousand years ago The first part of the book discusses the nature of evidence and how the rules regarding written evidence vary significantly from those of oral evidence the latter being used most often by biblical scholars and Christian apologists The first step is to authenticate the extant documents by examining the chain of custody and thus establish authority Next is to authenticate the attributed authorship of the writings to determine whether the authors were firsthand witnesses of the events they described or whether their narratives are hearsay with or without corroboration Where little verbal agreement is found this is circumstantial evidence of separate traditions developing the resultant theology The study proceeds by examining every verse in the NKJV New King James Version of the New Testament that is annotated as being in fulfillment of prophecy comparing the wording against both the NKJV Old Testament and an English translation of the Hebrew scriptures Where significant variations exist the author seeks an understanding from New Testament scholars whom he frequently quotes The eschatological temper of the early church is given due consideration especially concerning the expectations of the Jews regarding the mission of the Messiah Finally the accomplishments of Jesus as enshrined in Christian creeds is compared with what is spoken of by the prophets The author's conclusion is encapsulated in the book's title *Converts in the Dead Sea Scrolls* Carmen Palmer,2018-09-11 *Converts in the Dead Sea Scrolls* examines the meaning of the term g r in the Dead Sea Scrolls While often interpreted as a resident alien this study of the term as it is employed within scriptural rewriting in the Dead Sea Scrolls concludes that the g r is a Gentile convert to Judaism Contrasting the g r in the Dead Sea Scrolls against scriptural predecessors Carmen Palmer finds that a conversion is possible by means of mutable ethnicity Furthermore mutable features of ethnicity in the sectarian movement affiliated with the Dead Sea Scrolls include shared kinship connection to land and common culture in the practice of circumcision The sectarian movement is not as closed toward Gentiles as has been commonly considered *Religion in Sociological Perspective* David Yamane,Keith A. Roberts,Jonas M. Hart,2025-09-16 *Religion in Sociological Perspective* Eighth Edition introduces the systems of meaning structure and belonging that make up the complex social phenomena we know as religion The author team uses an active learning approach to illustrate the central theories and methods of research in the sociology of religion and show students how to apply these analytical tools to new groups they encounter **The Theology of the Cross in Historical Perspective** Anna M. Madsen,2007-01-01 The theology of the cross is indisputably a trendy concept today Numerous seminars books and

dissertations tackle the topic But *The Theology of the Cross in Historical Perspective* demonstrates that theology of the cross is no passing fancy Theologies of the cross appear at the beginnings of the church in the sixteenth century reformation of the church and in the more contemporary modernization of the church Without theologies of the cross what the church is called to be and to preach becomes unclear So then what is the theology of the cross Anna Madsen surveys the theology of the cross in the thinking of Paul and Luther She also outlines several important twentieth century contributions to the subject On the basis of her analysis Madsen suggests that the theology of the cross reveals God to be found even in death In death after all boundaries disappear The theology of the cross assures Christians that God is present in the death of sin and in the realities of suffering and uncertainty Given that it announces God's presence the theology of the cross is ultimately a theology of grace freedom and trust
