

JAM TARTS

These little tarts are perfect for a quick snack or a light lunch. They are easy to make and can be served warm or cold. The filling can be any jam or fruit preserve you like. They are also a great way to use up any extra jam you have on hand.

Roll out the dough on a floured surface and cut out circles with a fluted edge. Place a small amount of jam in the center of each circle and fold the edges up to form a rim. Bake in a preheated oven at 350°F for 15-20 minutes. Let cool for a few minutes before serving.

I made these tarts with my wife. It was a fun project and the tarts were delicious. They were a hit at the party and we had a lot of fun making them.
