L. Stephens, Sumyat Thu, Katherine Xue, Shui yin, Sharon Yam. Christian Ethics (Revised Edition) Wayne Grudem, 2024-09-18. What Does the Bible Teach about How to Live in Today's World? How should Christians live when the surrounding culture is increasingly hostile to Christian moral values? Granted, the Bible is our guide, but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, ethical business practices, environmental stewardship, and dozens of other issues? And on a very practical level, how can we know God's will in the ordinary decisions of life? To address questions like these, Wayne Grudem, author of the bestselling book *Systematic Theology*, draws on 40 years of teaching classes in ethics to write this wide-ranging introduction to biblical moral reasoning, organized according to the structure of the Ten Commandments. He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God. Written by Wayne Grudem, bestselling author of *Systematic Theology* and the *What the Bible Says About* series, *Biblical and Applicable* teaches readers how to protect 7 central tenets of God's law: God's honor, human authority, life, marriage, property, truth, and purity of heart. Accessible. An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter.
