

Conclusion Example

In conclusion, it is clear that students should be allowed to eat in class. By allowing students to eat the school can see better focus in the classroom, better behavior, and an increase in attendance. This topic is important because it can benefit not only the students but also the teachers as well. If you would like to see our school change its rules on eating in the class room, I encourage you to talk to your principal and see if you can get the ball rolling on bringing this new idea to our school.
