

Persuasive Speech :Fast Food

I. ADG- It is not a myth why people call fast food disgusting. On a Friday night during my graveyard shift at McDonald's a drunken customer passed by the Drive-Thru around 2:30a. m. While my coworker was taking his order the customer decided to cuss and call her really offensive names because she couldn't get his order right. She got mad and decided to spit in the customers Sweet Tea, she was immediately fired when another coworker told the manager. Cancer- 30% of tumors in breast, colon and prostate cancer are associated with nutrition. B. Pollution is also a huge problem that fast food brings to our lives. 1. With its grab-and-go overly stuffed packaged food stuffed with unnecessary condiments, fast food outlets have become out country's primary source of urban litter, which easily travel through gutters and storm drains and will eventually end up in the ocean.
