Peter Paul And Mary Fifty Years In Music And Life:

Peter Paul and Mary Peter Yarrow, Noel Paul Stookey, Mary Travers, 2014-11-04 This carefully crafted and collectible volume tells the intimate story of Peter Paul and Mary and their music in their words and with iconic images that follow their passionate fifty year journey to the center of America's heart. Photographs many rare and never before published taken over five decades by some of the world's top photographers follow them from their earliest performances in the 1960s when Mary was the most desired beautiful and charismatic performer and a new role model for women. Follow the trio as they lead America to discover the passionate soul of folk music. Join the struggle for racial equality, social justice and freedom in this memorable journey from the historic 1963 March on Washington with Martin Luther King Jr to the trio's appearance before a half million people in 1969 to end the Vietnam War to their singing at the Hollywood Bowl for Survival Sunday in 1978 helping to launch the anti nuke movement the world's first international environmental movement. Through these images readers will feel and almost hear the trio's songs calling for a more caring better world as they performed with a courage and conviction that became for so many the embodiment and soundtrack of their generation's awakening to conscience to activism and to a new dream for all of humankind. Peter Paul and Mary's songs of defiant hope and a certain unmasked innocence are still a powerful part of our American consciousness and this book reenacts the history of how the trio marked many lives with their indelible stamp of honesty of the sort we all yearn to recapture and recreate today for ourselves our children and the generations to come.
