The Automotive Industry and European Integration A. J. Jacobs,2019-08-07 This book chronicles the divergent growth trends in car production in Belgium and Spain It delves into how European integration high wages and the demise of GM and Ford led to plant closings in Belgium Next it investigates how lower wages and the expansion strategies of Western European automakers stimulated expansion in the Spanish auto industry Finally it offers three alternate scenarios regarding how further EU expansion and Brexit may potentially reshape the geographic footprint of European car production over the next ten years In sum this book utilizes history to help expand the knowledge of scholars and policymakers regarding how European integration and Brexit may impact future auto industry investment for all EU nations Market Entry in China Christiane Prange,2016-05-14 This book compiles brand new case studies on the intricacies and market entry strategies of different companies in China The sheer speed and scope of China's growth makes it unique and investment opportunities are very attractive Despite the potential many western companies fail in their market entry strategies This book traces the major sources of failure and uses cases to illustrate how firms can better cope with the challenging Chinese market With a special focus on marketing positioning and branding this book presents issues and solutions of both large multinationals and small niche market players

Critical Multimodal Studies of Popular Discourse Emilia Djonov,Sumin Zhao,2013-09-23 Studies of multimodality have significantly advanced our understanding of the potential of different semiotic resources verbal visual aural and kinetic to make meaning and allow people to achieve various social purposes such as persuading entertaining and explaining Yet little is known about the role that individual nonverbal resources and their interaction with language and with each other play in concealing and supporting or drawing attention to and subverting social boundaries and inequality political or commercial agendas This volume brings together contributions by prominent and emerging scholars that address this gap through the critical analysis of multimodality in popular culture texts and semiotic practices It connects multimodal analysis to critical discourse analysis demonstrating the value of different approaches to multimodality for
