Improving Police/community Relations Robert Wasserman,Michael Paul Gardner,Alana S. Cohen,1973 An array of techniques procedures and operational guidelines designed to enable police departments to implement effective community relations projects This handbook is one of a series of prescriptive packages intended to provide criminal justice administrators with both background information and operational guidelines in selected program areas This report represents an effort to identify various police operational and organizational practices specifically aimed at the improvement of police community relations Through site visits personal interviews and a survey of the available literature the author became acquainted with various innovative programs aimed at improving police community relations The general strategy recommended emphasizes the need for stressing improved community relations in all major police activities It presents operational guidelines in the areas of policy administration field operations training personnel procedures and conflict management The author concludes that the most critical elements in determining success in such a program are a strong administrative commitment and good police community relations practices throughout all major police functions **For Security Personnel, OFFICER SURVIVAL SKILLS, 2020** Mursel Sevindik,2020-04-05 This book covers Officer Survival Skills issues for law enforcement officer The goal is to develop the law enforcement officer's understanding of officer survival for the safe and efficient performance of their duty The majority of police officers duties become routine though the potential for danger is always present The duties of the officer require them to enforce laws and to control the illegal actions of certain citizens Survival techniques if properly applied provide the officer an opportunity to overcome the resistive behavior of subjects These techniques also provide officers with self confidence which is needed to win When an officer uses force peers the public the media the government and the world review that actions If the officer applies inappropriate force it reflects

poorly on the individual and gives a non professional appearance to the entire force The officer is subject to legal limitations When the officer is faced with a violent situation it is required that he make decisions in a fraction of a second He may have to justify his actions in court Therefore proper defensive tactics training provides the officer with the tools required not only to apply the proper techniques but also to decide the proper level of force necessary to overcome resistance This will obviously enhance officer survivability insure proper performance during the situation and justification in court Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement

Everyone a Sheriff Martin Alan Greenberg, 2021-10-19 In *Everyone a Sheriff* the word sheriff serves as a metaphor for programs involving citizens in social control initiatives Partnership between community members and their local police force is at the heart of any effective strategy aimed at reducing urban crime and insecurity Ordinary community residents represent a vast untapped resource in the fight against crime disorder and fear The real story of citizens long association with the policing function is revealed The book highlights include an in depth examination of volunteerism primarily at the law enforcement level the importance of preparing youth and minorities for careers in policing and homeland security the need for transitioning police and citizen volunteers from serving not only as peacekeepers but becoming peacemakers a realistic view of various pitfalls when regular and volunteer police are thrust into patterns of co existence when fighting crime out on the street or seeking solutions to crime numerous examples of current police sponsored citizen academies police cadet and junior deputy programs histories of the invention of police and citizen supported neighborhood crime watch programs The only way to successfully cross the divide between the police and public is to give meaning to the phrase the police are the people and the people are the police
