Critical Passages Kristin Dombek, Scott Herndon, 2004 This practical handbook examines the gap between high school and college level writing instruction providing teachers with guidance for helping their students make the transition including strategies for dealing with the many challenges of the writing classroom Popular Culture and the Austerity Myth Pete Bennett, Julian McDougall, 2016-10-14 Contemporary popular culture is engaged in a rich and multi levelled set of representational relations with austerity This volume seeks to explore these relations to ask how does popular culture give expression to austerity how are its effects conveyed how do texts reproduce and expose its mythic qualities It provides a reading of cultural texts in circulation in the present age of austerity Through its central focus popular culture it considers

the impact and influence of austerity across media and textual categories The collection presents a theoretical deconstruction of popular culture s reproduction of and response to mythical expressions of austerity in Western culture spanning the United Kingdom North America Europe and the Middle East and textual events from political media discourse music videogames social media film television journalism folk art food protest movements slow media and the practice of austerity in everyday life

Dress and Popular Culture Patricia Anne Cunningham,Susan Voso Lab,1991 The subjects of the essays in this book range from looking at the ever changing means of specific garments and clothing practices of subcultural groups to examining dress as a reflection of changing life styles in American culture The essays also examine fashions fads and popular images Dress and Popular Culture hopes to shed new light on popular culture through a study of the associations of dress to culture

Poverty in American Popular Culture Wylie Lenz,2020-08-17 In 1964 President Lyndon Johnson declared an unconditional war on poverty in the form of sweeping federal programs to assist millions of Americans Two decades later President Reagan drastically cut such programs claiming that welfare encouraged dependency and famously quipping Some years ago the federal government declared war on poverty and poverty won These opposing policy positions and the ideologies informing them have been well studied Here the focus turns to the influence of popular art and entertainment on beliefs about poverty s causes and potential cures These new essays interrogate the representation of poverty in film television music photography painting illustration and other art forms from the late 19th century to the present They map when how and why producers of popular culture represent or ignore poverty and what assumptions their works make and encourage

Reading Popular Culture in Victorian Print A. Gabriele,2009-10-26 Reading Popular Culture in Victorian Print Belgravia and Sensationalism is a comprehensive study of the whole run of the monthly periodical Belgravia under the direction of Mary Elizabeth Braddon It traces the material history of the magazine its production and global distribution while at the same time placing its history and content in the context of Victorian popular culture and Victorian discursive formations Among the questions Reading Popular Culture in Victorian Print investigates are the status of authors in the marketplace the innovative place Belgravia holds in the history of print culture the rhetoric of sensationalism in fiction journalism and pre cinema the representation of trade with India and the use of urban space as a branding strategy It makes the claim that the periodical is the sensation novel of the 1860s

Organizations and Popular Culture Carl Rhodes,Simon Lilley,2013-09-13 Throughout its history popular mass mediated culture has turned its attention to representing and interrogating organizational life As early as Charlie Chaplin s cinematic classic Modern Times and as recently as the primetime television hit The Simpsons we see cultural products that engage reflexively in coming to terms with the meaning of work technology and workplace relations It is only since the late 1990s however that those who research management and organizations have come to collectively dwell on the relationship between organizations and popular culture a relationship where the cultural meanings of work are articulated in popular culture and where popular culture

challenges taken for granted knowledge about the structure and practice work Key to this development has been the journal Culture and Organization a journal that has been centre stage in creating new vistas through which the cultural studies of organization can be explored This book brings together the journal s best contributions which specifically address how popular culture represents informs and potentially transforms organizational practice Featuring contributors from the UK USA Europe and Australia this exciting anthology provides a comprehensive review of research in organization and popular culture

American Popular Culture Seymour Leventman, 2008-12-18 American pop culture is no longer merely popular It has penetrated to such deep lying cultural and social structures that persons dream and fantasize in pop cultural terms It is the new reality which increasingly measures all else in the social world The present volume consists of original essays written expressly for the 2005 Conference of the American Pop Culture Association They fall under three headings of the Association s lead History of Pop Culture contains papers of a distinct historical dimension pointing out that although pop culture may become an autonomous force it exists in a context of space and time The Teaching of Pop Culture is critical because American pop culture has become so ubiquitous classroom educators use it to present other unrelated materials e g from history economics politics and sociology Not even high culture such as Classic Literature is immune to pop culture treatment Utilizing classic literature performs a double function of popularizing high culture while also paying homage to it The authors of these papers are research scholars and academic teachers who have spent their careers communicating to students with great skill and dedication the great ideas and concepts of popular as well as unpopular culture The book contains important insights into that complex maddening phenomenon American popular culture Scholars educators and general non fiction readers will find much enlightening material Most people associate pop culture with movies music and TV shows Yet this volume suggests that in modern society pop culture ultimately absorbs almost every facet of the collective life as to become generic and ever present Literature for example whether American Japanese or Italian may lose their cultural distinctiveness and writers may forget their bibliographic ties A literary agent defending her client on charges of alleged plagiarism commented As a former teenager myself I recall that spongelike ability to take popular culture and incorporate it into your own lexicon As this volume implies pop culture has both uplifting and downgrading possibilities Leventman has assembled a varied and fascinating collection of original and imaginative investigations into the pop culture every American knows and loves or hates It s exciting reading and covers all the bases Howard Becker Author of Art Worlds and Outsiders

Mathematics in Popular Culture Jessica K. Sklar, Elizabeth S. Sklar, 2014-01-10 Mathematics has maintained a surprising presence in popular media for over a century In recent years the movies Good Will Hunting A Beautiful Mind and Stand and Deliver the stage plays Breaking the Code and Proof the novella Flatland and the hugely successful television crime series NUMB3RS all weave mathematics prominently into their storylines Less obvious but pivotal references to the subject appear in the blockbuster TV show Lost the cult movie The Princess Bride and even Tolstoy s War and Peace In this

collection of new essays contributors consider the role of math in everything from films baseball crossword puzzles fantasy role playing games and television shows to science fiction tales award winning plays and classic works of literature Revealing the broad range of intersections between mathematics and mainstream culture this collection demonstrates that even mass entertainment can have a hidden depth Ideas in History Vol. 6:2 Ben Dorfman,2013-05-10 This issue of Ideas in History encompasses a special issue on the history of economic thought plus a provocative paper taking on issues of text historiography and deconstructive thought in cultural history *Event Cascade* Matthew Vierling,2008-05 After the events of Chaos Theory Connor Randall moves to Tokyo Japan When his boss dies mysteriously Connor stumbles onto something puzzling in a vast collection of strange documents Compelled by a grieving daughter he delves deeper into the mystery With his perfect memory he realizes that certain historical events seem impossible Yet when he thinks about these impossible events and considers how everything might somehow be connected he develops an unbelievable conspiracy theory They have no name They are the powerful cabal whose secret machinations have built empires and kingdoms and directed the course of human events from behind a curtain of anonymity Their ominous hegemony dates from the Dark Ages and their hidden legacy echoes throughout a millennium of civilization They survive now as data mining businesses statistical firms actuarial companies and demographics corporations moving from nation to nation every few years to conceal their true purpose covertly ruling the world with their prediction engines statistical matrices and mathematical equations And they will kill to protect their secrets When Connor discovers his conspiracy theory supported by vast amounts of buried evidence he realizes that something very dangerous is going on The truth is worse than he can imagine **Essays on Education and Popular Culture** Biko Agozino,2019-03-13 This book is devoted to simple but deep readings of the subtle and not so subtle messages in films and to the interpretation of the silences that are strategically delivered through the mass media Readers are welcome to agree disagree or even offer new readings of other relevant texts for the promotion of mass literacy and mutual understanding The book will serve to equip the general public with skills for the development of literacy both within the walls of classrooms and beyond their boundaries in the outside world It is based on a selection of blog posts and journal articles that are updated and brought together in book form for the first time here
