Love & Marriage Lessons from Movies Gokul Santhanam, 2018-01-25. It is time we introduced Love Education in our colleges. The way parents teach good touch or bad touch to their young kids, adults need to get comfortable talking to their adolescents on the topic of love relationships. Love is eternal and is important for a happy life. Falling in love before marriage and falling in love after marriage are both important. How to choose the right person, how to be the right person, why arranged marriages work, how to impress your in-laws, managing your work and life, and how to make love last a lifetime are some of the points covered in this book. By linking these thoughts to romantic movies, you have a concise, easy-to-read, interesting book. *Love Marriage Lessons from Movies*. This book is strongly recommended for those who are in love and those who will be. For those who are married and for those who will be. For those who love movies and for those who will after reading this book. This new work by Gokul Santhanam has quite a quirky title. I wish him loads of luck with his book.
