From Never-Mind to Ever-Mind Robert Rosenthal MD, 2019-01-21. Dr. Bob Rosenthal has been a student and teacher of A Course in Miracles for over forty years. As co-president of the Foundation for Inner Peace, he recognized the need for a series of books that could help those who have heard of the Course and feel drawn to it but may need a leg up to get started. In this, the first book of the series, Dr. Rosenthal approaches the Course from an entirely fresh perspective. Using common sense, wisdom, and sharing from his own experience as both a psychiatrist and Course student, he unpacks the core elements of the Course's teaching in a clear and comprehensible manner. If you've only heard of A Course in Miracles and are curious about what it says, or if you've tried to study it but given up, then this book will be a big help. If you're already a dedicated Course student, you will appreciate Dr. Rosenthal's contribution even more. You will emerge with a better grasp of the Course's central principle: I am one, Self united with my Creator.

Grounded in theory and best practices research, this practical text provides teachers with 40 strategies for using fiction and non-fiction trade books to teach in five key content areas: language arts and reading, social studies, mathematics, science, and the arts. Each strategy provides everything a teacher needs to get started: a classroom example that models the strategy, a research-based rationale, relevant content standards, suggested books, reader response questions, and prompts, assessment ideas, examples of how to adapt the strategy for different grade levels (K, 2, 3, 5, and 6, 8), and ideas for differentiating instruction for English language learners and struggling students. Throughout the book, student work samples and classroom vignettes bring the content to life.
