Pit Bulls Vs Aliens:

Pit Bulls Vs. Aliens Neal Wooten,2015-04-11 In the year 2050 the problematic buildup of greenhouse gases has been solved and yet global temperatures continue to rise As oceans grow warmer and the polar icecaps melt at an alarming rate marine mammals begin behaving most peculiarly Thomas Freeman a conspiracy author and UFO enthusiast knows the only explanation can be terraforming Soon his theory is confirmed as aliens arrive to colonize Central America Thomas joins forces with climatologist Stephen McNair marine biologist Sally Xie and SETI physicist Darren Mitchell to uncover the truth before it s too late As the intent of the invaders becomes clear Colonel Benjamin Jamison is called upon to lead a military force to stop them An impressive show of firepower comes up short as the technology of the aliens proves too much All hope appears lost until the human comrades inadvertently discover one thing that the aliens cannot defend themselves against and the earth has millions of them *Weekly World News* ,2005-04-25 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site *Alien Mate's Revenge* Katrina S. Karter,2021-12-05 HE SAID WE WOULD BE CLOSE BUT I DIDN T UNDERSTAND THAT MEANT IF I DIED HE WOULD TOO TAMSIN HEWETT I only wanted to return to Earth but the aliens murdered him before my eyes On the way to Earth leaving a piece of me behind my heart sank as I watched the man I cared for allow me to walk away from him without a word Out of nowhere we landed on the planet of Polyphemus III and the one who holds a piece of my heart stepped forth For the first time in my life I believe that happiness the joy of sharing your life with another might be mine My life has never been roses and champagne and this time was no different Fairytales are popular on Earth and every young girl secretly longs for her knight in glistening armor This isn t Earth and my deepest fantasies were decimated like a nuclear bomb Right before my eyes I watched them murdered him I want to deny my fated mate Deny myself but my heart is weak and my body under his command His need to protect me and keep me safe makes his domination over me almost unbearable I have tried to be his good little submissive and obey his command but I can t So I do what us humans do Smile at him and plan my next move What he and I have is something so precious I can t even comprehend the magnitude of this intimate bond that the gods have bestowed on us In my heart I hope the gods will be on my side once more keeping my fated mate and our bond protected allowing him to understand Revenge is mine As I stand on the precipice I know that my next steps will send me to stars or the fiery depths of hell I m not sure I will be able to live with my decision which is fine since this is a one way mission Precious beautiful things usually don t last long Like a shooting star this moment in time might be fleeting but its effects carved into the depths of my soul forever IARRD ACKMED Will our passion turn her eyes a stormy emerald or will they remain an amber color like the jewels in the Vhalian caves I never dreamed that my fated mate would be a human female nor that she would be so reckless that her revenge would cause her to willingly lay her life down She is skittish and I would chase her through the nine

galaxies if need be Someone hold my crown As a royal prince I am used to getting my way however my mate does not understand true submission or how to obey I am flabbergasted that after our intimate moment I am left with a parchment upon my dresser as she once again puts her life in danger The goddess truly did not make a mistake when gifting me her I underestimated her need for justice just as she did my unwavering determination My fated mate does not understand that his death was a bigger than we could ever have imagined I place her life above my crown and planet I am facing the most challenging battle yet as I must save my planet my people and my mate Please read Rescued by the Alien Prince before reading this book Humans are exhilarating frustrating and utterly captivating What prince wouldn t want that kind of excitement in his life I am looking forward to teaching my Tamsin many things Humans get bored easily yet our lives will never be monotonous If the space pirates touch what is mine I will annihilate their entire species I will destroy planets to protect her fragile heart When I get my hands on her I will teach her true submission She is mine to love cherish and protect
