

Portfolio Evaluation Guidelines

... when portfolios are used as summative assessment

- Because the portfolio is a collection rather than a single response, conducting quality assessment in this area requires one to make three somewhat unique decisions:
 - From the assortment of materials in the portfolio, what will be the focus of the evaluation? Three choices:
 - Student's best work, most typical work, or his progress
 - Who will select material for evaluation?
 - Teacher, Student
 - Who will evaluate?
 - Teacher, Student
- From this point on, you can choose to evaluate using any scoring scheme discussed earlier with regard to essay and performance assessment (e.g., holistic or analytic).
