The Gospel According to Star Trek Kevin C. Neece, 2018-01-01 What s Christian about Star Trek Nothing That s the way most people see it and that certainly seems to be the way the franchise is intended There s no question that the Trek universe is based on a doggedly humanistic worldview and is set in a future time when religion has essentially vanished from Earth If that s the case how can

there even be a Gospel According to Star Trek In The Gospel According to Star Trek you ll discover how the continuing voyages of Kirk and company aboard the Enterprise from the Original Series to Star Trek Beyond tell us more about our human quest for God than you ever imagined You ll learn how Star Trek creator Gene Roddenberry s own spiritual quest informed the franchise what he and the series really have to say about God and religion and the amazing image of Christ contained in Star Trek s most popular character You ll also see how Star Trek can help us recover a deeper more fully human gospel that embraces our humanity instead of denigrating it and echoes the call of both Spock and Christ Live long and prosper John 10 10

Knowledge in the Making Joan DelFattore, 2010-10-26 How free are students and teachers to express unpopular ideas in public schools and universities Not free enough Joan DelFattore suggests Wading without hesitation into some of the most contentious issues of our times she investigates battles over a wide range of topics that have fractured school and university communities homosexuality themed children s books research on race based intelligence the teaching of evolution the regulation of hate speech and more and with her usual evenhanded approach offers insights supported by theory and by practical expertise Two key questions arise What ideas should schools and universities teach And what rights do teachers and students have to disagree with those ideas The answers are not the same for K 12 schools as they are for public universities But far from drawing a bright line between

them DelFattore suggests that we must consider public education as a whole to determine how and how successfully it deals with conflicting views When expert opinion clashes with popular belief which should prevail How much independence should K 12 teachers have How do we foster the cutting edge research that makes America a world leader in higher education What are the free speech rights of students This uniquely accessible and balanced discussion deserves the full attention of everyone concerned with academic goals and agendas in our schools **David Hume: Moral and Political Philosophy:**
