Kapaló, Kinga Povedák, 2021-08-12** This book addresses the complex intersection of secret police operations and the formation of the religious underground in communist era Eastern Europe It discusses how religious groups were perceived as dangerous to the totalitarian state whilst also being extremely vulnerable and yet at the same time very resourceful It explores how this particular dynamic created the concept of the religious underground and produced an extremely rich secret police archival record In a series of studies from across the region the book explores the historical and legal context of secret police entanglement with religious groups presents case studies on particular anti religious operations and groups offers methodological approaches to the secret police materials for the study of religions and engages in contemporary ethical and political debates on the legacy and

meaning of the archives in post communism *Congressional Record* , **Global Secularisms in a Post-Secular Age**
Michael Rectenwald,Rochelle Almeida,George Levine,2015-10-16 Global Secularisms addresses the state of and prospects for
secularism globally Drawing from multiple fields it brings together theoretical discussion and empirical case studies that
illustrate on the ground extant secularisms as they interact with various religious political social and economic contexts Its
point of departure is the fact that secularism is plural and that various secularisms have developed in various contexts and
from various traditions around the world Secularism takes on different social meanings and political valences wherever it is
expressed The essays collected here provide numerous points of contact between empirical case studies and theoretical
reflection This multiplicity informs and challenges the conceptual theorization of secularism as a universal doctrine Analyses
of different regions enrich our understanding of the meanings of secularism providing comparative range to our notions of
secularity Theoretical treatments help to inform our understanding of secularism in context enabling readers to discern what
is at stake in the various regional expressions of secularity globally While the bulk of the essays are case based research the
current thinking of leading theorists and scholars is also included
