

A hiker with a large orange backpack stands on a mountain peak, arms raised in triumph, overlooking a vast valley. The hiker is wearing a green shirt and dark shorts. The background shows rolling hills and a clear sky, suggesting a sunrise or sunset. The overall mood is one of achievement and hope.

Historical Method in Bible Study Albert Edwin Avey, 1924 **Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups** Richard Sogunle, 2022-08-01 In my many years of attending Bible study I have found that many who attend barely grow beyond the level of being fed the word of God Many are stocked in the level of milk without the capacity to handle the solid word of God The aptitude and zeal to understand and rightly share the word of God is absent in the greater percentage of church attendees today Every good shepherd desire that their flocks grow in their spiritual muscle and be able to stand anywhere and anytime on their faith feet without being tossed to and fro with every wind of doctrine However due to various environmental and organizational challenges a small group Bible study setting may be lacking in many churches The members may attend worship services on Sunday and other times and listen to the pastor s sermon day after day but never have the opportunity to contribute their God given ideas or ask questions that could strengthen their courage to share their faith with understanding This book is designed to challenge believers in reading a passage of the scripture and equip them with spiritual warfare weapon in memory verse during each Bible study session The individual will have the opportunity to learn and discuss the weekly topic and questions that follow every introduction to the topic The study guide is simply arranged to enable any believer or group of believers and families to use in any Bible study group setting The study guide discusses various topics with supporting scriptural references to equip participants with practical knowledge and applications to their daily Christian living Bible Study Guide for Churches Small House Fellowships and Discussion Groups is a must have handbook for pastors leaders of various Christian fellowship groups and believers that

The Left Handed Layup Jason Root, 2022-11-03 It is a question almost as old as time Why do bad things happen to people who seem to be obedient to God What are we as followers of Christ with faith in His promises to make of the trials we go through in life Can we come to a better understanding of our personal and collective trials and the very

things that God is trying to teach us when He allows us to experience them This book looks at those questions We will look at the life of David through the lens of the trials he went through and how they shaped his life We will look at the lives of the disciples and examine how Christ led them through some of their most significant moments and consider how these might relate to our own We will dive deeper into some of the pivotal experiences in Peter s life to learn more about our own relationship with Christ during trials including what happens when our trials are caused by our failures rather than our faith We will also consider a few critical reasons why some trials may not go away despite our prayers and the kind of attitude we need to maintain during those times We will learn why fear is one of our greatest enemies and forgiveness is one of our greatest friends The Left Handed Layup is a journey through our trials and the faith that it helps to build and develop
