Oklahoma Administrative Code ,2006 *Directory and Manual of the State of Oklahoma* ,2003 *The Oklahoma Register* ,2005 **Evidence-Based Adjunctive Treatments** William O'Donohue,Nicholas A. Cummings,2011-04-28

Adjunctive treatments in which patients are provided additional modalities that can assist in their behavior change or the maintenance of their behavior change i e telehealth psychoeducation consumer driven treatment planning have a useful role in addressing problems that can t be solved by face to face meetings The adjunctive therapies covered in this book are all based on improving patient s self management of their problems or the factors that exacerbate their problems The book is broadly organized into two sections The first gives a broad overview of the major adjunctive modalities and the second concentrates on a systematic description of their role in the treatment of a number of special populations while providing practical suggestions for the timing and coordination for the use of the adjunctive therapies discussed in the book The Complete Mental Health Directory ,2004 Mental Disorders Mental Health Associations Organizations Government Agencies Clinical Management Pharmaceutical Companies The Complete Mental Health Directory Richard Gottlieb,2006-03

Provides comprehensive coverage of 27 specific mental health disorders from adjustment disorders to tic disorders including a separate section devoted to pediatric and adolescent issues as well as support systems and other resources Assertive Community Treatment Sandra Johnson,2017-09-08 The twenty first century has witnessed an explosion in studies on comparative health studies but mental health remains virtually ignored Unlike the well researched topic of health policy there is a gap in the marketplace covering mental health policy and health care policymaking This book fills that gap it is a comparative analysis of the implementation of Assertive Community Treatment ACT an evidence based practice employed in two states that promises to empower the well being of individuals suffering from mental illness Assertive Community Treatment specifically examines the tension separating the notion of client recovery and evidence based programs Johnson challenges the assumption that practitioners should rely on evidence based practices to close the gap between scientific knowledge and practice She argues that in an era of managed care this encourages state mental health administrators to adopt policies that are overly focused on outcomes Programs that can measure the outcomes of care provided and evidence based practices have become central aspects of the quality care agenda This study traces the role of policy entrepreneurs throughout the Assertive Community Treatment policymaking process By differentiating mental health in general qualitative research increases the chances of observing similarities and differences in outcomes Johnson explains why the ACT model was adopted and implemented She concludes that there is a clear monopoly by medical researchers and scientists within Assertive Community Treatment research and as a result too much emphasis is placed on the roles of policy entrepreneurs as the main innovators in the agenda and policy formulation stages Johnson presents a strong argument for more innovation in the implementation stage **Occupational Therapy in Mental Health** Catana Brown,Virginia C Stoffel,Jaime
