Maths Watch vs PIXL App

Both APPS cover all topics and are suitable for independent revisions

The main differences are:

- **MathsWatch** has a greater variety questions and paper worksheets that can be printed out. There are also 1 minute maths clips and pupils are more familiar with it. It is also easier for parents and teachers to monitor.
- **PIXL App** has daily challenges and simpler skill analysis to highlight strengths and weakness. It is new and pupils can take challenges (online tests)

It may simply come down to individual preference.
