Porsche 911 Carrera, Turbo & GT (996) Grant Neal, Peter Morgan, 2005-07-01 The Porsche 911 may be in production for over 40 years but the modern water cooled generation share little more than a philosophy with the first examples. Known worldwide by their Porsche internal type number the 996 models represented a fresh start and offered a new standard in sports car performance and driving satisfaction. This book packs in more specification data. We introduce all the 996 model types describing the technical specifications, vehicle identification data, performance, colors and options.
