

Dear Mum and Dad

I'm having a great time here in New York! Aunt Eva has shown me everything - the Statue of Liberty, the Brooklyn Bridge and Central Park. I haven't taken a yellow taxi yet but I really want to.

It's sunny and hot every day. Tomorrow we're going to watch a show at a theatre on Broadway.

Wish you were here.

Love Ami xx

in which postcards can be used in research and that have begun to establish a standard methodology for the analysis of postcards They write about major postcard collections including the Institute of Deltiology and the Curt Teich Postcard Archives the use of postcards for scholarly research postcard conservation and preservation arrangement and organization and importance and value Postcards in the Library describes the postcard collections in a variety of libraries of different kinds and sizes and indicates very real ways in which the effective use of postcard collections can result in and contribute to substantive scholarly publications It also offers advice and suggestions on the myriad issues that libraries face in handling these ephemeral fragments of popular culture Special collections librarians postcard collectors postcard dealers and historical societies will find the information in Postcards in the Library refreshing and practical Libraries with established postcard collections or those thinking about developing postcard collections will use it as a valuable planning tool and start to finish guide
