The Way We Work Peter Scheckner, Mary C. Boyes, 2008 The Way We Work reveals that a seismic change has occurred in the workplace since the appearance in 1974 of Studs Terkel s Working Terkel s subjects despite their alienation had a sense of themselves as workers and felt that in the workplace they were part of a community The people Terkel interviewed were

highly class conscious in a way that today seems radical and even anachronistic By contrast while some of the narrators in *The Way We Work* feel passionate about their work others are barely conscious that they are workers In transit from one job to another some workers find it hard to take either their co workers or their job situation too much to heart One pronoun rarely used by the narrators of the works in this anthology is we Each of the 43 pieces in *The Way We Work* represents a voice that is idiosyncratic ironic or humorous Alongside such acclaimed writers as Tom Wolfe Rick Bass Barbara Garson Ha Jin Charles Bowden Erica Funkhouser Allan Gurganus Catherine Anderson Philip Levine Edward Conlon and Mona Simpson appear the narratives of little known writers No other collection of writings about contemporary work in this country showcases the personal accounts of employees from a creative literary perspective These writings address such current issues as the effects of globalization sexual harassment racial discrimination and the weakening of unions as well as a general sense of worker disengagement in the workplace Speaking in multiple genres the men and women whose voices are collected here run the whole gamut of the workplace From an executive at an office products company to a migrant fruit picker to a stripper to a doctor to a cleaner of garbage trucks *The Way We Work* captures with passion and honesty the experiences of a myriad of workers

God on the Big Screen Terry Lindvall, 2019-08-13 Links film history with church history over the past century illuminating America s broader relationship with religious currents over time Moments of prayer have been represented in Hollywood movies since the silent era appearing unexpectedly in films as diverse as *Rebecca of Sunnybrook Farm* *Frankenstein* *Amistad* *Easy Rider* *Talladega Nights* and *Alien 3* as well as in religiously inspired classics such as *Ben Hur* and *The Ten Commandments* Here Terry Lindvall examines how films have reflected and sometimes sought to prescribe ideas about how one ought to pray He surveys the landscape of those films that employ prayer in their narratives beginning with the silent era and moving through the uplifting and inspirational movies of the Great Depression and World War II the cynical anti establishment films of the 60s and 70s and the sci fi and fantasy blockbusters of today Lindvall considers how the presentation of cinematic prayer varies across race age and gender and places the use of prayer in film in historical context shedding light on the religious currents at play during those time periods *God on the Big Screen* demonstrates that the way prayer is presented in film during each historical period tells us a great deal about America s broader relationship with religion
