

Pottenger's CATS

A STUDY IN NUTRITION

*"If it is true with human beings, as it is with cats,
that nutritionally-caused degeneration
is passed down to our children,
a sobering challenge stands before us!"*

— From the Book, Pottenger's Cats

Francis M. Pottenger, Jr., MD

The changes Dr. Pottenger observed in cats on deficient diets paralleled the degeneration that Weston A. Price, D.D.S., found in people who abandoned traditional foods.
