The Youth's Companion, 1917 Includes songs for solo voice with piano accompaniment *Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965* Barry Monush, 2003 Applause Books For decades Screen World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin, Pickford, Fairbanks to the mid 1960s when the old studio and star systems came crashing down. Each listing includes a brief biography, photos from the famed Screen World archives with many rare shots, vital statistics, a comprehensive filmography, and an informed, entertaining assessment of each actor's contributions, good or bad. In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity, and glory that was the lifeblood of its subjects. Contains over 1,000 photos.

Hairs Vs. Squares Ed Gruver, 2016-05 *Hairs vs Squares* is an ode to an unforgettable season that began with the first major players' strike in the history of North American sports and ended with a record-setting World Series played by two of the game's greatest and most colorful dynasties. In a sign of the times, it was Hippies vs. Hardhats, a clash of cultures with the hirsute mod Mustache Gang colliding with the clean-cut conservative Big Red Machine on the game's grandest stage. When the Oakland A's met the Cincinnati Reds in the 1972 Fall Classic, more than a championship was at stake. The more than two dozen interviews bring to life a time when controversy was commonplace both inside and outside the national pastime. In baseball, Willie Mays was traded, Hank Aaron was chasing down Babe Ruth's home run record, and Dick Allen was helping to save the Chicago White Sox franchise while winning the American League's Most Valuable Player award. Outside the American pastime, the war in Vietnam was raging, campus protests spread throughout the country, and Watergate and the Munich Olympics headlined the tumultuous year. The 1972 Major League Baseball season was marked by the rapid rise of rookies and young stars, the fall of established teams and veterans, courageous comebacks, and personal redemptions. Along with the many unforgettable and outrageous characters inside baseball, *Hairs vs Squares* emphasizes the dramatic changes that took place on and off the field in the 1970s: Owners' lockouts, on-field fights, maverick managers, controversial trades, artificial fields, the first full five-game League Championship Series, and the closest, most competitive World Series ever combined to make the 1972 season as complex as the social and
