## **Rolling Stone Album Guide 5th Edition:**

**The New Rolling Stone Album Guide** Nathan Brackett, Christian David Hoard, 2004 Publisher Description **The Rolling Stone Album Guide** Anthony DeCurtis, James Henke, Holly George-Warren, 1992 A completely revised edition of the bestselling guide to popular recordings featuring 2 500 entries and more than 12 500 album reviews The definitive guide for the 90s *APPLELOG 5th EDITION* Jeffery Levy, 2006-12-12 Applelog 5th Edition is the only complete resource for collectors of U S and Canadian Apple recordings and related material including Albums Singles E P s Compact Disc s 4 Tracks 8 Tracks Cassettes Reel to reels Apple reissues Apple Advertisements Apple Studios Details on unreleased items Apple Memorabilia Foreign Apple Records Special Interest Items and more **Rush and Philosophy** Jim Berti, Durrell Bowman, 2011 The progressive hard rock band Rush has never been as popular as it is now A documentary film about the band Rush Beyond the Lighted Stage which was released in the summer of 2010 has been universally well received They had a cameo in the movie I Love You Man Their seven part song 2112 was included in a version of Guitar Hero released in 2010 The group even appeared on The Colbert Report And now this a book about Rush written for a general audience and geared towards issues concerning popular culture and philosophy There has been a recent explosion of Rush onto the popular culture front and how ironic for a band that has spent the early days of their career on the outside of mainstream popularity Even legendary trios such as Led Zeppelin Cream and The Police don t enjoy the commitment and devotion that Rush s fans lavish on Alex Geddy and Neil In part this is because Rush is equally devoted to its fans Since their first album in 1974 they have released 18 additional albums and toured the world following nearly every release Today when other 70s bands have either broken up or become nostalgia acts Rush continues to sell out arenas and amphitheatres and sell albums to date Rush has sold over 40 million albums They are ranked fourth after The Beatles The Rolling Stones and Aerosmith for the most consecutive gold or platinum albums by a rock band Rush s success is also due to its intellectual approach to music and sound The concept album 2112 made Rush a world class band and cemented its reputation as the thinking person s progressive rock trio Rush s interest in political philosophy mind control the nature of free will of individuality and our relationship to machines makes Rush a band that matters and which speaks to its fans directly and honestly like no other Lyricist Niel Peart has even built a following by writing books both about his motorcycle travels and about the tragic death of his daughter which have only furthered the respect Rush s fans have for arguably rock s greatest drummer and lyricist Fiercely independent of trends Rush has maintained a clear mission and purpose throughout their career With a unique sound best described as the Rush sound the band has been able to blend thought provoking lyrics and music for almost four decades The Rush style of music can trigger the unusual combination of air drumming air guitar singing along and fist pumping just as much as it can thoughtful reflection and deep thinking making Rush The Thinking Man s Band Rush and Philosophy does not set out to sway the public s opinion nor is it an awkward gushing of how much the authors love Rush

Rush and Philosophy is a fascinating look at the music and lyrics of the band setting out to address thought provoking questions For example elements of philosophical thinking from the likes of Jean Paul Sartre Ayn Rand and Plato can be found in Peart s lyrics does this make Peart a disciple of philosophy In what ways has technology influenced the band through the decades Can there be too much technology for a power trio Can listening to Rush s music and lyrics lead listeners to think more clearly responsibly and happily Is the band s music a pleasant distraction from the singing of Geddy Lee In what ways is Rush Canadian How can a band that has been referred to as right wing also criticize big government religion and imperialism Rush and Philosophy is written by an assortment of philosophers and scholars with eclectic and diverse backgrounds who love Rush s music and who get the meaning and importance of it They discuss Rush with the enthusiasm of fans and the seriousness of college professors The book will be a must read for the many fans who have long known that Rush deserves as much respect as the ideas concepts and puzzles about human existence they write and compose music about The Words and Music of Frank Zappa Kelly Fisher Lowe,2007-10-01 A deep look at the work of one of the most insightful and incisive critics of late 20th century American culture **We Didn't Start the Fire** Ryan Raul Bañagale,Joshua S.
