Baumgartner, 2000-06-30 Presidential campaigns have seen revolutionary changes in the past few decades in the United States and elsewhere These changes include rapid advances in communications technology and marketing and survey methodology an increased involvement of non party groups and campaign professionals in electoral politics a decreased role for political parties in the recruitment screening and nominating of candidates and dramatic

changes in campaign finance laws While changes in presidential campaigning have not gone unnoticed analysis of these changes is typically included in general works on presidential campaigns and elections or studied individually Baumgartner clarifies what is meant by candidate centered as it applies to the organization and operation of presidential campaigns and elections He demonstrates that campaign organizations have become increasingly more central to the campaign effort than party organizations throughout the process of presidential selection and he shows that what is happening to electioneering practices in the United States is also happening although still to a lesser extent in France and Russia **Reverent Whisper** Chetna Asmi,2019-03-28 Jimmy Digne is an ordinary basically good guy who doesn't care if the world is saved or not He believes the planet will continue to evolve even if humans do not exist because Jimmy knows full well that saving the world begins and ends with the power of the human mind As he puts pen to paper and begins contemplating the world around him Jimmy shares not just his own story but also the stories of others in order to make himself appear more interesting Jimmy starts by looking back to the beginning when as a boy he was put through the rigors of society's programming the expectations of who he should be what he should do and how to do it As he reflects on his constant search for his identity the meaning of life and his purpose an imaginary friend guides him on his journey But to Jimmy the imaginary might just seem real After all the mind is a powerful thing and nothing is ever what it seems Reverent Whisper reveals the story of a young man as he reflects back on his life in order to find the truth about himself and the world around him **Abba's Whisper** Alan Davey,Elizabeth Davey,2017-01-18 There is a longstanding tradition that God whispers in our ears He does not shout It is in the holy whisper writes the Quaker mystic that we hear Abba's voice not in the noise of clamoring crowds or the incessant barrage of social media To hear the voice of God is an awesome thing to know his thoughts to intuit his love to participate in his good pleasure It is both a gift to be received and art to be cultivated It can call to us when we least expect but we can train ourselves to become receptive listeners We need help to separate the cacophony of voices calling to us from the quiet whisper of Abba barely audible Since our wordy world masks the quiet respectful voice of God we need to recognize the primary ways that Abba communicates with his creation We must embrace practices that move us out of lives of distraction and exchange old patterns of living with new ways of seeing and hearing From our deep Christian past we hear the voice of St Augustine murmur Whisper in my heart I am here to save you I shall hear your voice and make haste to clasp you to myself **Whisper of Death** David Lambkin,2024-06-01 Paul Morgan a washed up novelist is wasting his life away in Zanzibar But his luck changes when he meets Angelika a young orphan girl and her guardian a retired British spy Sandollar the ex spy tells Morgan the story of his deadly World War Two spy career complete with Nazi gold and assassinations He then sets Morgan off on the trail of the psychopathic British spymaster who betrayed him On his quest Morgan finds himself trapped in a dangerous web of deceit and murder and finally uncovers the terrible secret the British spy establishment is desperate to keep Whisper of Death is an action packed spy and adventure tale that sweeps from Zanzibar to the Tanzanian

Helmers,2021-06-08 Print in the early modern period could make or break power This volume addresses one of the most urgent and topical questions in early modern history how did European authorities use a new medium with such tremendous potential The eighteen contributors develop new perspectives on the relationship between the rise of print and the changing relationships between subjects and rulers by analysing print s role in early modern bureaucracy the techniques of printed propaganda genres and strategies of state communication While print is often still thought of as an emancipating and disruptive force of change in early modern societies the resulting picture shows how instrumental print was in strengthening existing power structures Contributors Renaud Adam Martin Christ Jamie Cumby Arthur der Weduwen Nora Epstein Andreas Golob Helmer Helmers Jan Hillg rtner Rindert Jagersma Justyna Kilia czyk Zi ba Nina Lamal Margaret Meserve Rachel Midura Gautier Mingous Ernesto E Oyarbide Maga a Caren Reimann Chelsea Reutchke Celyn David Richards Paolo Sachet Forrest Strickland and Ramon Voges **Teach Me How to Whisper** Gjekë Marinaj,2023-11-15 The works of Gjek Marinaj Albania s leading poet have been praised translated published and discussed in over twenty languages and countries His most celebrated poem Horses drew the attention of the dictatorship s censors when it was published and forced Marinaj to escape his country Later the poem became the anthem for the democratic forces that freed the country He has won several of the world s most prestigious prizes for his poetry and criticism but his remarkable body of passionate profound and wildly original poetry is only now translated and published in English for the first time Frederick Turner a prizewinning Anglo American poet critic and translator has translated this

generous collection of Marinaj's major poems into English with the close collaboration of the poet himself. Gathered into nine sections: Home, Albania, Amor, Admonitions, Acheron, Heroines, Metaphysics, Poets, and The Earth, the volume concludes with an extraordinary long poem, *The Lost Layers of Vyasa's Skin*. With his fascinating introductory essay, Turner contextualizes Marinaj's work, describing the ways Albanian history, culture, and politics have energized Marinaj's poetry and its poetics.

Word of Tree and Whisper of Stone Nick Wyatt, 2007. This flagship volume of the Gorgias Ugaritic Series is a book of selected essays dating from 1992 to the present, devoted to themes in Ugaritic literature. Providing a glimpse into the worldview of ancient Syria, *Word of Tree and Whisper of Stone* includes the following chapters: A New Look at the Term *sdmt*; The Titles of the Ugaritic Storm God; The Pruning of the Vine in KTU 1.23; Understanding Polytheism: Structure and Dynamic in a West Semitic Pantheon; Religion at Ugarit: an overview; Epic in Ugaritic Literature; May Horon Smash Your Head: a Curse Formula from Ugarit; and *Word of Tree and Whisper of Stone*, from which the volume takes its title. The shorter chapters 1 and 3 deal with details in textual analysis; the intermediate ones 5 and 6 with matters of religion and genre; the longer ones 2, 4, 7, and 8 cover broader issues respectively: the surprisingly large range of Baal's epithets; the theology of the so-called pantheon lists from Ugarit; and the tension they invite between pluralistic and unitary conceptions of deity and the question of prophecy in Ugarit. Prophetic figures have now been widely attested in the ancient Near East from the time of Zimri-Lim of Mari down into the Iron Age. It was only a matter of time till the phenomenon was observed in Ugarit. This final chapter explores the language of divine communication in the light of some archaic features in Israelite oracular procedure. Publisher's website.

They come from different worlds and yet they are meant for each other. Money, glamour, luxury, power. Ruby Bell couldn't be less interested in these things if she tried. After being awarded a scholarship to one of England's most prestigious and expensive private schools, Maxton Hall, all she wants is to keep her head down, work hard, and get accepted to Oxford. She keeps her distance from everyone, especially the arrogant rich and extremely handsome James Beaufort, ringleader of the school's party boys. When Ruby discovers a scandalous secret about the Beauforts, she is suddenly on James's radar. It only gets worse when James is forced to work with her to plan the school's annual gala. Yet the more time they spend together, the more they realize they share much more than they thought. Falling for James Beaufort was never part of her plan, yet Ruby can't help but let her feelings sweep her away. But James must make a decision for himself: will he choose what's expected of him or what he feels for her?
