L. Travers's *Mary Poppins*, E. B. White's *Charlotte's Web*, Philip Pullman's *Clockwork*, *The Sisters Grimm: The Inside Story* Michael Buckley, 2018-04-17. A diabolical character is out to rewrite the fate of all fairytales in the eighth adventure in the New York Times bestselling children's series *Sabrina and Daphne Grimm*. They have studied hundreds of stories as part of their training as fairy tale detectives. But they're about to get caught up in the action when they follow the scheming Master into the *Book of Everafter*. Inside this mysterious tome, copies of the world's fairytale characters live out their stories over and over again. The Grimms must track down the Master while avoiding the Book's tyrannical Editor who is devoted to keeping the stories on track and his army of story gobbling revisers. In the *Book of Everafter*, stories can be rewritten and destinies changed, which is why Sabrina and Daphne must find the Master before he can alter his own fate and the fate of the whole world. Reissued with new cover art, these anniversary editions of the beloved *Sisters Grimm* series are the perfect opportunity for old fans to revisit the Grimm family's adventures and for new readers to discover the magic of the series. **Latino American Cinema** Scott L. Baugh, 2012-04-13. Latino American cinema is a provocative, complex, and definitively American topic of study. This book examines key mainstream commercial films while also spotlighting often underappreciated documentaries, avant garde, and experimental projects, independent productions, features, and shorts. *Latino American Cinema: An Encyclopedia of Movies, Stars, Concepts, and Trends* serves as an essential primary reference for students of the topic as well as an accessible resource for general readers. The alphabetized entries in the volume cover the key topics of this provocative and complex genre: films, filmmakers, star performers, concepts, and historical and burgeoning trends, alongside frequently overlooked and crucially ignored items of interest in Latino cinema. This comprehensive treatment bridges gaps between traditional approaches to U.S. Latino and Latin American cinemas, placing subjects of Chicana and Chicano, Puerto Rican, Cuban, and diasporic Cuban and Mexican origin in perspective with related Central and South American and Caribbean elements. Many of the entries offer compact definitions, critical discussions, overviews, and analyses of star artists, media productions, and historical moments, while several foundational entries explicate concepts, making this single volume encyclopedia a critical guide as well. *Daughter Departed* Claire Merchant, 2018-03-04. You would think that living in the limelight, being front page news, and being the daughter of the most influential man in South Coast would be every girl's dream. Not in the case of Amelia. After a broken heart and tired of having her successes and failures published, Amelia flees South Coast for England to start a new life outside the shadow of her father. But can she really escape who she is? Amelia soon begins to realise that no matter where she goes, her past is still her past, and that home is a little closer than she initially thought it to be. *America's Film Legacy* Daniel Eagan, 2010-01-01. Collection of the five

hundred films that have been selected to date for preservation by the National Film Preservation Board and are thereby listed in the National Film Registry

The God Who Saves David W. Congdon, 2016-09-08 Christian universalism has been explored in its biblical philosophical and historical dimensions For the first time The God Who Saves explores it in systematic theological perspective In doing so it also offers a fresh take on universal salvation one that is postmetaphysical existential and hermeneutically critical The result is a constructive account of soteriology that does justice to both the universal scope of divine grace and the historicity of human existence In The God Who Saves David W Congdon orients theology systematically around the New Testament witness to the apocalyptic inbreaking of God s reign The result is a consistently soteriocentric theology Building on the insights of Rudolf Bultmann Ernst Kasemann Eberhard Jungel and J Louis Martyn he interprets the saving act of God as the eschatological event that crucifies the old cosmos in Christ Human beings participate in salvation through their unconscious existential cocrucifixion in which each person is interrupted by God and placed outside of himself or herself Both academically rigorous and pastorally sensitive The God Who Saves opens up new possibilities for understanding not only what salvation is but also who the God who brings about our salvation is Here is an interdisciplinary exercise in dogmatic theology for the twenty first century
