Way Up North Wisconsin Cookbook Victoria Shearer,2024-05-07 Way Up North Wisconsin is said to be a state of mind and geography less about geography and more about what you do when you get there Generally considered to be any area north of Highway 8 Up North was once a remote primeval forest settled by iron and copper miners and then lumberjacks Now an extremely popular vacation destination drawing vacationers year round from Illinois Iowa Minnesota Michigan and parts beyond Up North showcases more than 7 500 lakes rivers and streams and more than a million acres of public forest More than just a cookbook Way Up North Wisconsin celebrates the history the people and the cultures that so influenced the area for centuries with a compilation of recipes presenting a fresh take on traditional foods alongside interesting features on the quintessential uniqueness that makes Up North Wisconsin *Gloria Pitzer's Cookbook - the Best of the Recipe Detective* Gloria Pitzer,2018-01-15 FAMOUS FOODS FROM FAMOUS PLACES have intrigued good cooks for a long time even before fast foods of the 1950's were a curiosity When cookbooks offer us a sampling of good foods they seldom devote themselves to the dishes of famous restaurants There is speculation among the critics as to the virtues of re-creating at home the foods that you can buy eating out such as the fast food fares of the popular franchise restaurants To each his own Who would want to imitate fast food at home I found that over a million people who saw me demonstrate replicating some famous fast food products on The Phil Donahue Show July 7 1981 DID and their letters poured in at a rate of over 15 000 a day for months on end And while I have investigated the recipes dishes and cooking techniques of fine dining rooms around the world I received

more requests from people who wanted to know how to make things like McDonald's Special Sauce or General Foods Shake 'N Bake coating mix or White Castle's hamburgers than I received for those things like Club 21's Coq Au Vin
