Barbecue Cookbook: 140 Of The Best Ever Healthy Vegetarian Barbecue Recipes Book...Revealed! Samantha Michaels, 2013-08-27 Just because you're trying to lose weight doesn't mean you actually need to give up your favorite foods It also doesn't mean when summer is here you only need to eat salads or steamed fish Did you know when trying to lose weight eating meals cooked on a barbecue can help you to achieve your goals Most people when the words barbecue are said will immediately think of warm summer evenings enjoying great food and drink with their friends and family However by choosing to barbecue their food they are actually making a subconscious decision to eat more healthily Through barbecuing you'll find yourself actually eating less fat This is because when you choose to cook meat or fish on a barbecue you only need to provide a light coating of oil to prevent it from sticking to the grill Another reason why barbecuing food is much better for you when losing weight is it has a much lower calorie count So of course the fewer calories being consumed means you won't have to burn off so many when exercising Yet you'll still find you can still eat the same amount of food As well as helping to reduce the amount of calories and fat you consume by grilling food on a barbecue you are actually reducing the chances of you developing such diseases as diabetes high blood pressure heart disease or a stroke

Illustrated Cookbook Cook's Illustrated,2011-10-01 The ultimate recipe resource an indispensable treasury of more than 2

000 foolproof recipes and 150 test kitchen discoveries from the pages of Cook's Illustrated magazine. There is a lot to know about cooking more than can be learned in a lifetime and for the last 20 years we have been eager to share our discoveries with you, our friends and readers. The Cook's Illustrated Cookbook represents the fruit of that labor. It contains 2,000 recipes representing almost our entire repertoire. Looking back over this work as we edited this volume, we were reminded of some of our greatest hits: Foolproof Pie Dough, we add vodka for an easy-to-roll-out but flaky crust; innumerable recipes based on brining and salting meats; our Brined Thanksgiving Turkey in 1993 launched a nationwide trend; Slow Roasted Beef, we salt a roast a day in advance and then use a very low oven to promote a tender, juicy result; Poached Salmon, a very shallow poaching liquid steams the fish instead of simmering it in water and robbing it of flavor; and the Ultimate Chocolate Chip Cookies, we brown the butter for better flavor. Our editors handpicked more than 2,000 recipes from the pages of the magazine to form this wide-ranging compendium of our greatest hits. More than just a great collection of foolproof recipes, The Cook's Illustrated Cookbook is also an authoritative cooking reference with clear, hand-drawn illustrations for preparing the perfect omelet, carving a turkey, removing meat from lobsters, frosting a layer cake, shaping sandwich bread, and more. 150 test kitchen tips throughout the book solve real home cooking problems, such as how to revive tired herbs, why you shouldn't buy trimmed leeks, what you need to know about freezing and thawing chicken, when to rinse rice, and the best method for seasoning cast iron. You can even run it through the dishwasher. An essential collection for fans of Cook's Illustrated and any discerning cook, The Cook's Illustrated Cookbook will keep you cooking for a lifetime and guarantees impeccable results.
