Crystal Paine founder of moneysavingmom.com *Cook's Illustrated Revolutionary Recipes* America's Test Kitchen, 2018-10-23 2019 IACP Award Winner in the Compilations Category On the occasion of Cook's Illustrated's 25th anniversary we've gathered together our most extraordinary recipes and innovations from the past quarter century in this hands on book packed with practical tips and techniques These recipes tell the story of how Cook's Illustrated has changed American home cooking through its signature blend of rigorous testing culinary research science and unorthodox approaches to developing foolproof recipes As fans know a big part of what makes the magazine so trustworthy and enjoyable to read is the essays that accompany each recipe tracing from initial brainstorming to aha moments and the occasional catastrophe to final success Rarely republished since they first appeared these feature length stories celebrate the art of food writing and the extensive work that goes into every recipe In addition to the recipes essays and helpful sidebars this book also features the trademark black and white illustrations that have become synonymous with Cook's Illustrated creative use of the beloved front and back cover art and a new addition gorgeous full color photographs of each dish Featured recipes include Perfect corn on the cob that never gets boiled ultracreamy tomato soup that's completely dairy free the fastest roast chicken recipe oven grilled London broil and ingenious low key approaches to traditionally high fuss recipes such as risotto French fries pie crust and many more **100 Recipes** America's Test Kitchen, 2015-10-13 A provocative handpicked collection of relevant and surprising essential recipes for today's cook We have countless recipes at our disposal today but what are the real keepers the ones that don't just feed us when we're hungry or impress our friends on Saturday night but inspire us to get into the kitchen At the forefront of American cooking for more than 20 years the editors at America's Test Kitchen have answered this question in an essential collection of recipes that you won't find anywhere else 100 Recipes Everyone Should Know How to Make Organized into three recipe sections Absolute Essentials Surprising Essentials and Global Essentials each

recipe is preceded by a thought provoking essay that positions the dish For example Treating Pasta Like Rice Simplifies Everything A Covered Pot Is a Surprisingly Good Place to Roast a Chicken and Re imagine Pie in a Skillet to Simplify the Process You ll find useful workday recipes like a killer tomato sauce that s almost as easy as opening a jar of the store bought stuff genius techniques for producing amazing flavor try poaching chicken breasts over a garlic and soy spiked brine trust us it s that good and familiar favorites reinvigorated the best beef stew comes from Spain and it s even easier to make than the stateside stew you ve been eating for years Gorgeous photography shot right in the test kitchen accompanies every recipe revealing the finished dish as well as highlights of its preparation Likely to stir debate among anyone interested in food and cooking 100 Recipes Everyone Should Know How to Make provides a snapshot of how we cook today and will galvanize even the most jaded cook to get into the kitchen

Sauerkraut Cookbook: Mastering Homemade Sauerkraut Recipes Victor Gourmand, As a home chef I have always been fascinated by the world of fermented foods and sauerkraut has always been one of my favorites Its tangy and slightly sour taste along with its versatility make it a great addition to a wide range of dishes from traditional German cuisine to contemporary fusion dishes This is why I publish *Sauerkraut Cookbook Mastering Homemade Sauerkraut Recipes* Making sauerkraut at home is a simple and rewarding process that requires only a few ingredients and tools All you need is fresh cabbage salt and some basic equipment such as a large mixing bowl a knife or mandolin and a fermentation vessel such as a glass jar or crock The key to making good sauerkraut is to choose the right type of cabbage and to use the correct amount of salt to create the right environment for the lactic acid bacteria to ferment the cabbage Once you have your cabbage and salt the process of making sauerkraut is quite straightforward You simply slice or shred the cabbage mix it with the salt and then pack it tightly into your fermentation vessel You can add other ingredients such as spices herbs or vegetables to create different flavors and textures Then you let the cabbage ferment for several days or weeks depending on your taste preferences and the ambient temperature During this time the lactic acid bacteria will convert the natural sugars in the cabbage into lactic acid which gives sauerkraut its characteristic sour taste and tangy aroma The beauty of making sauerkraut at home is that you have complete control over the fermentation process which allows you to customize the flavor texture and acidity of your sauerkraut You can experiment with different types of cabbage such as red cabbage Napa cabbage or savoy cabbage to create different colors and textures You can also add other vegetables such as carrots beets or radishes to create more complex flavors and textures Spices and herbs such as caraway seeds garlic dill or juniper berries can also add depth and complexity to your sauerkraut After your homemade sauerkraut is ready the possibilities are endless You can use it as a condiment as a side dish or as an ingredient in a wide range of recipes Classic dishes such as Reuben sandwiches sauerkraut and sausage casseroles or pork and sauerkraut stews are always crowd pleasers However you can also use sauerkraut in more creative ways such as in kimchi inspired tacos sauerkraut and mushroom risotto or sauerkraut and apple salad One of the great things about sauerkraut is its nutritional value It is low in

calories and fat and high in fiber vitamin C and probiotics which can improve digestion and boost the immune system Eating sauerkraut regularly can also help reduce inflammation and prevent certain types of cancer Storing and preserving sauerkraut is also easy Once you have fermented your sauerkraut you can store it in the refrigerator for several months or even years depending on the level of acidity and the type of container you use Canning or pickling sauerkraut is another option which allows you to preserve the flavor and texture of your sauerkraut for longer periods of time Overall Sauerkraut Cookbook Mastering Homemade Sauerkraut Recipes reveals that making sauerkraut at home is a fun and rewarding experience that allows you to explore new flavors textures and health benefits With a little bit of experimentation and creativity you can create unique sauerkraut recipes that will delight your taste buds and impress not just you but also your family and guests
