The Washingtons.
Volume 2 Justin Glenn,2014-07-29 This is the second volume of a comprehensive history that traces the Presidential line of the Washingtons Volume one began with the immigrant John Washington who settled in Westmoreland Co Va in 1657

married Anne Pope and was the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume two is a collection of notable descendants of the next eight generations of John and Anne Washington s descendants including such luminaries as General George S Patton the author Shelby Foote and the actor Lee Marvin Future volumes will trace generations eight through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country The Washingtons includes the time honored John Wright line which in recent years has been challenged largely on the basis of DNA evidence Volumes one and two form a set with a cumulative bibliography appearing at the end of volume two
