|                             |                                                                                                                                                                                                                                                                                                             |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Characters</b>           | In this section, list the major characters who are a part of the action. It is not necessary to list minor characters who are not involved in the plot.                                                                                                                                                     |
| <b>Action</b>               | In this section, list the important action that takes place in the scene.                                                                                                                                                                                                                                   |
| <b>Problem or Solution?</b> | Ask yourself whether this scene raises a problem or provides a solution to a previous problem. Almost all scenes will work in this way, either bringing up a problem, or proposing a solution to some earlier problem. Sometimes, problem after problem is presented without a solution until the very end. |
| <b>How or Why?</b>          | In this section, explain how or why you answered <b>problem or solution</b> . What issues are raised? Are some problems solved, and others still an issue? Explain your choice here.                                                                                                                        |
