mushrooms Four Generations Cookbook Beverley A. Benjamin, 2017-01-09 As our six children moved out I would often receive a phone call asking Mom how did you make this What was the secret ingredient As a child I would watch my Mother cook and preserve fruit can and freeze vegetables bake and have family get together s to make Perogys I enjoyed cooking when I first took it in Junior High School and started to collect recipes I did a lot of family history and over the years I also was given many recipes from the family members plus saved many from other resources My Stepfather taught me the cooking of wild game to make it tender When I got married we had our own garden plus raised cattle chickens turkeys pigs rabbits and even tried ostriches We did our own butchering and I learned from my husband s boss how to do make headcheese from the pigs I made cottage cheese and butter from our milk cow I made sourdough from scratch also From our garden we froze a lot of the crop for the winter The fruit we grew got made into jams and jellies as well as the wild fruit that we picked Often we would go picking berries as a family outing or while Roy and I were haying the children would pick wild berries near the fields We would have a treat of fruit at the end of the day and the excess got made into preserves or into juice My one challenge was making bread even with a bread machine It never turned out Roy took over that challenge and got a recipe figured out that even now I cannot fail making bread The Grandchildren loved helping him make buns When Roy passed away I tried the recipe and when the Grandchildren tried the bread their remark was It taste s just like Grandpa s bread My recipes were in several boxes and I knew where the ones were that I used the most When I started entering my collection into a computer Roy suggested I should make a cookbook because I had a collection of over a century of recipes I have done that now and the collection has recipes from early 1900 s with the old way of the size of the ingredients like amount of butter the size of an egg up to modern amounts I also have enclosed tips that were given to me over the years plus a few old poems that have a special meaning to me **The Swedish, French, American Cook Book** Mrs. Maria Mathilda (Ericsson) Hammond, 1918 *Cookbook from Transylvania and other places of the world (Carte de bucate ardelenesti si numa')* Gelu Radu, Corina Radu, This is the first ever book written in Transylvanian dialect and English Husband and wife Gelu and Corina Radu were born in the heart of Transylvania where they also learnt to cook While Gelu is a professional chef Corina is an economist However that doesn t mean she s less skilled at cooking They have a friendly rivalry going trying to outdo the other by cooking healthy and tasty dishes The ones who mostly benefited from this are their two children tefan and Gabriel This is not an ordinary cookbook It doesn t contain extremely complicated recipes Rather it focuses on dishes anyone should be able to cook It contains traditional recipes from all over the world not just Transylvania Each recipe includes step by step illustrations guiding you from start to finish **Cookery for the Hospitality Industry** Graham Dodgshun, Michel Peters, David O'Dea, 2012 A must have book for thirty years and now in its sixth edition Cookery for the Hospitality Industry remains Australia s most trusted and reliable reference for commercial cookery students apprentice chefs and those studying vocational courses in schools It covers the essential skills methods and principles of cookery as well as the core competencies

listed within the Australian National Training Package for Commercial Cookery This book provides trade apprentices and commercial cookery students with everything they need to know to achieve trade status and more It is the only textbook that genuinely addresses the needs of Australian students by covering Australian qualifications and reflecting Australian conditions ingredients and our unique cuisine The L.L.
