Herbert,1997-09-09 **Teaching English as a Foreign Language, 1912-1936: Michael West** Richard C. Smith,2004-01-15 This collection focuses on the work of the major pioneers working in the 1920s and 1930s whose research and writings laid the methodological foundations for post World War II British approaches to English as a foreign language teaching ELT These early pioneers included Harold E Palmer in Japan Michael West in India and Laurence Faucett in China Separately and jointly at the 1934 5 Carnegie Conference they succeeded in establishing a principled basis for the teaching of English to speakers of other languages

different in significant respects from teaching English as a first language in Britain and the Empire **Integrating Assessment into Early Language Learning and Teaching** Danijela Prošić-Santovac, Shelagh Rixon, 2019-08-07 The volume unites research and practice on integrating language learning teaching and assessment at preschool and early school age It includes chapters written by experts in the field who have studied some of the very youngest pre primary children through to those up to the age of 12 in a variety of private and state contexts across Europe The collection makes a much needed contribution to the subject of appropriate assessment for children with the focus of many chapters being classroom based assessment particularly formative assessment or the case for developing assessment skills in relation to even the youngest children As a whole the book provides useful case study insights for policymakers teacher educators researchers and postgraduate students with interest in or responsibility for how children are assessed in their language learning It also provides practical ideas for practitioners who wish to implement greater integration of assessment and learning in their own contexts *The Politics of English Language Education and Social Inequality* Maya Kalyanpur, Padmini Bhuyan Boruah, Sarina Chugani Molina, Sunaina Shenoy, 2022-12-30 Based on policy analysis and empirical data this book examines the problematic consequences of colonial legacies of language policies and English language education in the multilingual contexts of the Global South Using a postcolonial lens the volume explores the raciolinguistics of language hierarchies that results in students from low income backgrounds losing their mother tongues without acquiring academic fluency in English Using findings from five major research projects the book analyzes the specific context of India where ambiguous language policies have led to uneasy tensions between the colonial language of English national and state languages and students linguistic diversity is mistaken for cognitive deficits when English is the medium of instruction in schools The authors situate their own professional and personal experiences in their efforts at dismantling postcolonial structures through reflective practice as teacher educators and present solutions of decolonial resistance to linguistic hierarchies that include critical pedagogical alternatives to bilingual education and opportunities for increased teacher agency Ultimately this timely volume will appeal to researchers scholars academics and students in the fields of international and comparative education English and literacy studies and language arts more broadly Those interested in English language learning in low income countries specifically will also find this book to be of benefit to their research **ICEL2104-Proceedings of the 9th International Conference on e-Learning** Dr Oscar Saavedra Rodriguez,, Dr Teresita Arenas Yáñez, 2014 *University English for Academic Purposes in China* Xiaofei Rao, 2018-07-07 This book uses an in depth phenomenological interview approach to explain the generational characteristics of today s Chinese university youths and the critical dispositions they believe indispensable in acquiring English as an academic language in and outside school settings By presenting the authentic voices of the recruited participants the book clarifies how English for academic purposes EAP as an emerging global phenomenon and a research informed practice enables and empowers them for conscious self transformation and critical awareness

development through language study The book also explores issues arising in the fields of general English language teaching as well as traditional and critical EAP and discusses university English language learners learning needs and rights The book further promotes a dynamic and transformative University EAP pedagogy of particularity practicality and possibility moving from the oppression of language education to its liberation and the increasing critical consciousness among the present and future university youths in a time of great social changes *Making World English* Michael G. Malouf, 2022-01-27

Uncovering the role of literature late imperialism and the rise of new models of internationalism as integral to the invention of Global English this book focuses on three key figures from the Vocabulary Control Movement C K Ogden Harold Palmer and Michael West who competed for market share for their respective language teaching systems Basic English the Palmer Method and the New Method through battles over word lists and teaching methods in the 1920s and 30s Drawing on archives from the Carnegie Corporation and considering language teaching in eight global sites this book analyzes how a series of conferences in New York and London resolved their conflicts and produced a consolidated international standard form of English As a postcolonial approach to the development of the field of English Language Teaching it reveals how these language debates were proxy battles over an idealized global subject an urban secular consumer moving seamlessly between the tribal and global speaking both mother tongues and an international lingua franca Global English Featuring analysis of the primary texts of each of the three key figures in this book as well as close readings of their readers which featured adaptations of well known literary texts from writers like Poe Dickens Wordsworth Milton and Wells it recovers a neglected history of English as it was redefined as an international language through anti colonial resistance in the peripheries and transatlantic power struggles in the metropole during the interwar period *Oxford Successful English*, 2003 **UPRT**
