The No Recipe Cookbook Susan Crowther, 2013-07-01 What has happened to cooking Where has it gone For most people it is left to the experts in restaurants and on television Thanks to the constant availability of takeout frozen dinners and fast food restaurants for the majority of Americans cooking has become a spectator sport an entertaining activity you watch on television but not something to try at home The No Recipe Cookbook is a warm and funny instructional guide that addresses this issue head on Rather than simply collecting recipes author chef caterer and nutritionist Susan Crowther offers people something even more useful an understanding of how to cook The No Recipe Cookbook is a commonsensical and creative approach to preparing delicious meals focusing on principles intuition and integrity Cooking is also explored holistically incorporating aspects such as local ingredients and green cooking Each page explores culinary virtues of patience adaptability and love next to principles utensils and procedures From preparing simple salad dressings to simmering soup stocks to kneading dough for bread Crowther takes the intimidation factor out of cooking by giving readers the basic information and tools they need for culinary success Once you understand a few basic rules and generally what ingredients in what proportions are necessary for certain dishes you'll be free to confidently experiment with all sorts of culinary creations With a handful of easy to follow cooking time charts and shopping lists plenty of warm advice and a pinch of humor Crowther welcomes aspiring cooks on a fun and exciting culinary adventure

Remote Control Childhood? Diane E. Levin, 1998 Ever since television became a daily staple of U.S. family life its influence on children has been the subject of study and debate No aspect of the debate has been more heated than violence in the media But a growing knowledge base has shifted the focus of the debate from whether media violence contributes to violence in real life to what can be done to deal with and reduce the violence This book written for both teachers and parents aims to inspire creation of a village that supports the development of more positive media and media culture for children The guide is divided into three parts Part 1 gives background information on media media violence and the media culture and how it affects children Part 2 discusses classroom strategies for working effectively with children on the full range of ways media media violence and media culture touch their lives Part 3 describes strategies for working on media issues outside the classroom with parents in schools and in the wider community Throughout the book is information detailing the important issues underlying each topic as well as guidelines to clarify how to address these issues action ideas for how to begin and numerous examples illustrating how teachers parents and others in the wider community have translated the suggestions into practice in their particular settings The Resources section includes a bibliography selected videos on media violence and children selected children's books with annotations organizations national TV networks government officials and major toy manufacturers and retailers Appendices present the NAEYC Position Statement on Media Violence in Children's Lives sample materials from a community activity and a sample flyer from a local event Contains 19
