Recipes for vegan athletes Protein recipes for training, performance and recovery, 2024-04-01 A vegan diet is one that excludes all animal products including meat fish poultry dairy products eggs and honey Most vegans also avoid wearing animal derived materials such as fur leather silk and wool and using household products and cosmetics containing animal derived ingredients The Vegan Society defines veganism as a way of living which seeks to exclude as far as is possible and practicable all forms of exploitation of and cruelty to animals for

food clothing or any other purpose You may have heard the term plant based which is sometimes used interchangeably with vegan but sometimes with a vegetarian pescatarian includes fish or flexitarian diet that still includes small amounts of animal products In fact there is no universally agreed definition of the term which in my view renders it rather meaningless So I have used the term vegan throughout this book
