Kent Taylor tells the legendary story of Texas Roadhouse and in the process reveals its recipe for success embracing
unorthodox business practices Because isn't it a little unusual for a company to do almost no advertising Is it wild to give
away free peanuts and rolls and keep prices low even as costs rise or to keep the menu basically the same since it opened
Does it fly in the face of reason to prohibit coats and ties at headquarters and to have a CEO who dressed like he was part of
the landscaping crew These business practices might be unconventional but for Kent and Texas Roadhouse they worked
What Kent and his Roadies cooked up is an island of misfits who are cool with being different They love to have fun but are
serious about following meticulous recipes to serve up hand cut steaks fall off the bone ribs made from scratch sides ice cold
beer and irresistible fresh baked bread It's Legendary Food Legendary Service the Texas Roadhouse way To show how this
company became a staple of American dining and survived a once in a lifetime pandemic Kent took a trip back in time to offer
