6 Fun Date Ideas to Win Her Heart Volume 1 Kym Kostos,2014-05-20 In my 35 years of dating since I was
fifteen years old I have had my fill of good dates and bad dates I am pretty sure we have all had those dates from hell that we
tell our friends or ones that we just soon want to forget So what about the ones that turned out perfect Don t have too many
of those Don t worry because in this book I will give you some ideas and dates from start to finish for fun first dates romantic
dates creative dates indoor dates outdoor dates cheap dates that are easy on your wallet and even a date for those who are
miles apart in a long distance relationship Guys always want to impress a girl and sweep her off her feet but sometimes have
no clue as to where to start Females by nature are great planners especially when it comes to events dinners parties and yes
even dates Why Because we pay attention to detail and that is what is the most important thing Details tell a girl how you feel
about her Simple details to intricate ones either way they are signs of what you really feel about the girl If you take a lot of
time planning a great date that tells the girl that you are interested in her and want to get to know her better especially if it s
a date that allows you two to talk and get to know each other better Girls love dates like that Taking a girl out tossing a
burger down her throat and taking her to a movie is just plain boring That s something you do AFTER you have won her heart
and even then it s questionable Whatever happened to the courtship of dating When you take the time to plan and give her a
date to remember it shows that you care and want to impress the girl You don t have to have a lot of money either to do this
