Robert Spitzer S.J., 2020 Spiritual Writer theologian and philosopher Fr Robert Spitzer S J tackles the topic of recognizing and overcoming spiritual evil His focus is the human heart His goal our spiritual and moral transformation which leads to true peace and genuine happiness The book is divided into two main parts 1 the realities of God's goodness and of spiritual evil and 2 recognizing and overcoming the diabolical tactics of deception temptation and sin The author synthesizes the best advice given by Catholic spiritual masters throughout the ages and gives a practical guide to implementing it in our busy lives Father Spitzer provides the biblical and theological background of Jesus' victory over evil He also explores the reality of the devil including extraordinary manifestations of diabolic activity such as possession With insights from modern psychology he shows how prayer can transform the subconscious psyche making us better able to resist temptation detach from the world and grow in holiness

Seeking God in the Works of T. S. Eliot and Michelangelo Harry Eiss, 2017-05-11 Do I dare disturb the universe It is a question recognized by people around the world If typed into the internet hundreds of examples appear Many know that it comes from one of the best known poems of the twentieth century T S Eliot's The Love Song of J Alfred Prufrock What many do not know is that Eliot dramatically shifted his views at the height of his fame for writing such dark

poetry as this and his also famous *The Wasteland* becoming a sincere devoted Christian While his poetry is famous because it expresses the loss of a spiritual center in European civilization a careful reading of it reveals that he was struggling with his Christianity from the beginning not rejecting it but trying to make it fit into the contemporary world If a reader works through his love song for all of the esoteric meanings as he demands it quickly becomes evident that he intended it as a struggle between agape amour and eros Beginning it with a quote from Dante forces that into place Though the protestant forms of Christianity have changed their views on these the Roman Catholic holds fast Eliot references Michelangelo in the poem bringing in the great painter of the ceiling of the Sistine Chapel Most immediately recognize his name and work Many do not realize how he expressed a similar personal struggle between the desires of the flesh and the spirit Both of them admired Dante's *Divine Comedy* and its inclusion of amour as a means to salvation His work is generally seen as the greatest literature ever to come out of Italy sometimes referred to as the epic representation of St Thomas Aquinas *Summa Theologica* one of the central documents establishing Catholic doctrine This book explores how these brilliant men struggle with the highest meanings of life in their artistic expressions and perhaps manage to express what Rudolph Otto designates the *mysterium tremendum* the experience of a mystical awe what he calls the numinous or in more common terms the experience of God
