

The background of the image is a dramatic landscape. In the foreground, there are dark, silhouetted mountain ridges. The middle ground shows a valley with some greenery and a winding path. The sky is filled with large, billowing clouds that are illuminated from below, giving them a bright orange and yellow glow. A bright light source, possibly the sun or moon, is visible in the upper right corner, casting a strong light across the scene.

How to Fight

Satan Dr. Art Wooten, 2010-08-04 How to Fight Satan is an important tool in our spiritual warfare against the devil. Christians often blame one another for conflict without realizing that it is Satan's influence behind it all. In this book Art Wooten teaches that if we are to be helpful to God in His work we must acknowledge Satan's temptations and be victorious in our daily struggles with them. Satan of course is constantly trying to pull us out of the spirit of God. For us to truly sin we must cease walking in the spirit of God for it is spiritually impossible to sin and walk in God's spirit at the same time. When we receive the spirit of God we receive the fruits of the spirit. We are reminded that if we walk in the spirit of God we will not fulfill the lust of the flesh. The author urges us not to surrender to Satan's attack. Each day we must keep in mind that we are on the battlefield for God.

Put Some Honey on It Harry W. Youngblood Jr., 2008 All my life I have asked God for success so that is why my first thanks goes to my creator Jesus Christ. He has given me strength through many things in my life. My next thanks goes to my parents for all the encouragement and that they have given me. I would like to thank all of my family and close friends for all of their moral support, laughter and love. I want to give a special thanks to my children. I love you kids so much. I especially want to thank you all for my grandchildren. I LOVE MY GRANDCHILDREN. They are the greatest gifts you could ever give me. They give me the strength to carry on even when I'm out of energy.
