Sunset, 1974 **The Story of Garum** Sally Grainger, 2020-12-30 The Story of Garum recounts the convoluted journey of that notorious Roman fish sauce known as garum from a smelly Greek fish paste to an expensive luxury at the heart of Roman cuisine and back to obscurity as the Roman empire declines This book is a unique attempt to meld the very disparate disciplines of ancient history classical literature archaeology zooarchaeology experimental archaeology ethnographic studies and modern sciences to illuminate this little understood commodity Currently Roman fish sauce has many identities depending on which discipline engages with it in what era and at what level These identities are often contradictory and confused and as yet no one has attempted a holistic approach where fish sauce has been given centre stage Roman fish sauce along with oil and wine formed a triad of commodities which dominated Mediterranean trade and while oil and wine can be understood fish sauce was until now a mystery Students and specialists in the archaeology of ancient Mediterranean trade whether through amphora studies shipwrecks or zooarchaeology will find this invaluable Scholars of ancient history and classics wishing to understand the nuances of Roman dining literature and the wider food history discipline will also benefit from this volume **The Compu-mark Directory of U.S. Trademarks**, 1990 **The World Encyclopedia of Food** L.
