In retrospect it is difficult to accept that Western democracies have implicitly supported or at least tolerated the legalized system of white supremacy in South Africa known as apartheid Renate Pratt s new book In Good Faith explains why the Christian churches were among the first to publicly protest and why they provided such cogent and determined international support for the struggle against apartheid The Taskforce on the Churches and Corporate Responsibility is a coalition of Christian churches that for nearly twenty years was one of Canada s leading anti apartheid advocates As the first coordinator of this Taskforce Renate Pratt was at the centre of the early anti apartheid initiatives in Canada and consequently is able to supply a clear and accurate view The book traces the history of exchanges between the Taskforce and successive ministers and senior civil servants of the Department of External Affairs It details the reluctant and weak responses offered by the Canadian government and business community right up to the time of Nelson Mandela s release from prison In Good Faith will be of particular interest to Canadian Christians concerned with ecumenical co operation and with the social and political dimensions of their faith Equally it will appeal to those interested in the impact of public interest organizations on public policy or the relationship between politics and business interests Cruising World ,1987-07 **Diesel Engineering** ,1922 *Yachting* ,1980-08 *Cruising World* ,1986-01 **Popular Mechanics** ,1961-07 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle Cruising World ,1986-01 **Cruising World** ,1984-07 Cruising World ,1992-01 **Yachting** ,1998-05
