200+ Active Learning Strategies and Projects for Engaging Students □ **Multiple Intelligences** James Bellanca, 2009

What if Libyan terrorists obtained US\$36 billion worth of street ready heroin? White Monsoon is a codename for a plot by six Libyan terrorists to flood the United States with bargain basement priced heroin. This release intertwines two novels subtitled MORPHINE BASE set in March 1992 and PURE HEROIN around Halloween of the same year.

Scott I'm mad at you the voice in Xenia OH said. What's the matter Jim? What are you mad about? You sent me your book and I opened it started reading and couldn't put it down. I read it straight through and hardly got any sleep in three or four days. Then he laughed. No, You have really got something here. This is a wonderful story.

James H. Pee Wee Martin 101st Airborne 506th Parachute Infantry Regiment 3rd Battalion G Company Morphine Base is an intriguing fast paced collection of stories that weave together into an international thriller. One story line follows a group of Libyan terrorists with curious non-Muslim names as they weed out a Mossad informant in their midst masquerade as members of the International Red Cross and transport five eighteen wheelers from Libya to Nimach an acronym for Northern India Mounted Artillery Cavalry Headquarters a town of about 150,000 known for the highest opium production in India. In another story line Scott captures the world of the opium trade from both the licit and illicit sides of the coin by focusing on one group of licensed opium farmers and their interactions with vicious drug traffickers as they try to bring their opium harvest to market. Once again in Nimach High ranking Mossad agents come across the pond to ask the help of old friends at the CIA's training facility nicknamed The Farm in Virginia. The Mossad want help finding a missing agent who had infiltrated a dangerous terrorist group and almost discovered the terrorists plot code named White Monsoon. Pure Heroin is aptly titled because it is the central theme around which the entire tale is spun. Heroin causes the three year old daughter and infant son of an educational programmer of personal computers to be kidnapped and taken to a remote prison built in a molybdenum mine abandoned by the Russians following their brief occupation of Afghanistan. Heroin causes the death of the daughter and husband of a woman who helps the terrified father. Wonderful people the father and the woman who helps him find themselves drawn to each other with ever growing yearnings visceral and deep as they try desperately to override their feelings and stay focused on finding out where the man's children have been taken.

This PG-13 yarn about two American heroes delights all ages according to some wonderful feedback. One twelve year old Indian boy gave it to his grandparents who looked forward to the book more than television and read the book to each other. This seems to be a trend. We're hearing from numerous couples they've been reading to their spouses or to their families once or twice a week and it's helping to bring people back to the dinner table. We've had people receive the book as a gift who were sad at first that they didn't get something by one of their favorite authors. One taxi driver from Oklahoma City wrote I almost took the book to Barnes Noble to exchange it. I'm so glad I didn't. I read it while waiting in taxi stands and had it sitting in my passenger seat. I ended up giving it to a site locator for the movie industry who was looking for farms for another twister movie and told the guy what a

great low budget movie it would make **Teaching Historical Fiction with Ready-Made Literature Circles for Secondary Readers** Carianne Bernadowski,Kelly Morgano,2011-10-24 This comprehensive step by step guide provides practical guidance to implement literature circles in any social studies or language arts classroom This book provides a how to guide for a novice or veteran teacher or library media specialist who is interested in implementing literature circles with high interest texts After an introduction that covers the research findings on literature circles and supplies a framework for implementation of literature circles in the classroom and library Teaching Historical Fiction with Ready Made Literature Circles for Secondary Readers presents 14 selected historical fiction titles for grades 7 through 12 that lend themselves perfectly to interdisciplinary teaching Each selection is accompanied by bibliographic information an annotation vocabulary words discussion questions and guided reading questions as well as lessons for before during and after reading The titles included cover many historical time periods and topics that can easily aligned with state and national standards Just as importantly these are texts that a history teacher or literature instructor would find beneficial to use with students
